# FMR16-3W GU5.3 CW

Clear Sky LEDs GU5.3 3W LED Downlight - Cool White - 60 degrees - 250lm

## Product Overview

Clear Sky LEDs GU5.3 3W LED downlight,Colour: Cool White (5,000K), Lamp Base GU5.3 (12V DC), CRI Ra > 76, Luminescence Angle: 60 degrees, Lumens: 250 lm, Working Voltage 220 - 265 VAC, Power Consumption 3W, Lamp Lens Acryl, Lamp Cup Radiator Alloy: Aluminium with chrome Plating, Certification: CE & RoHS, Dimmable: No

## Specifications

**Overview:**

This affordable, entry level 3W LED Downlight will effectively replace any 25W Halogen. Perfect for either mood or direct lighting, these downlights push out an impressive 250 lumens for non-dimmable circuits. The 3W, because of its low power requirement, is VERY popular for those requiring light off the grid on 12V systems. Coming in a standard 60 degree angle shine, the light output of this down light is awesome with a real warm or cool white colour option. All downlights come with a 2 year manufacturer warranty (3 years for Eskom rebate schemes) and are beautifully designed with a proper aluminium heat sink. Reap the benefits of saving 80-90% off your energy bills for many years to come with this affordable, top quality 3W LED Downlight.

**Features:**

- LED Downlights are the future of green, clean, energy efficient replacements for all halogen and CFL downlights;
- Beautiful Aluminium Heat Sink for optimal heat dispersion;
- Green and Environmental Friendly: no lead, no mercury, no pollution to the environment;
- Brightness degradation is less than 3% over the first thousand hours;
- Full Manufacturer Warranty of 2 years (3 years for all Eskom Rebate Schemes);
- Full CE & RoHS compliancy;
- High-quality LED sources, and high-quality LED drivers used.
- Incredibly low power consumption saving you as much as 90% off your electricity bills;
- Product life span of at least 50, 000 hours;
- Even & comfortable lighting, non-halation & beautiful colour rendering / CRI;
- Cold light source with immediate cold start;
- No UV, no heat radiation, no heat generated;
