FQC-10528

Microsoft Windows 11 Professional 64-bit - DVD - DSP

Product Overview

Microsoft Windows 11 Professional 64-bit - DVD - DSP

Specifications

Microsoft Windows 11 Professional 64-bit DSP Licence (SKU FQC-10528)

- License: Microsoft Windows 11 Professional Edition - 64-bit DSP
- Licence Type: DSP (Delivery Service Partner) / OEM-style licence
- Media: DVD installation media included

About this licence

For use with new PCs for home, small business, and corporate users

This DSP licence provides the full Microsoft Windows 11 Professional Edition operating system for 64-bit PCs. It must be bundled with a new PC and is not transferable once installed. Designed for users and organisations that need advanced security, management, and productivity features for personal or business use.

Use Case

Designed for desktops and laptops for home users, small businesses, and corporate environments. Provides advanced management, security, and productivity tools, including BitLocker, Group Policy management, Windows Update for Business, and Azure Active Directory support. DSP licences are bundled with a new device and cannot be installed independently on other machines.

Important notes

- DSP Licensing: Must be bundled with a new device; not transferable once installed.
- Media: DVD installation media included.
- Compatibility: 64-bit PCs only.
- TPM 2.0 Requirement: A secure TPM 2.0 chip is required to run Windows 11. Most PCs manufactured since 2020 supports this feature.
- Advanced Features: Includes professional features such as BitLocker, Group Policy management, and business connectivity not available in Home edition.
