GALAXY-NOTE8-N5110

Samsung Galaxy Note 8 WiFi only Tablet PC

Specifications

Overview:

Say hello to the new Note 8.0, your everyday companion in the dos and don'ts of life. With well-connected nimble performance and the natural feel of a S pen, it's perfectly sized to always be there with you, at a moment's note.

Features:

Perfect Size for on the go
Designed for wherever inspiration strikes. Introducing the new Note 8.0, made for the thinkers, the dreamers, the movers and shakers. Scribble a thought, sketch out a concept, organise your ideas and express your creativity wherever inspiration may strike. It feels just right in your hand reading on the subway, giving a presentation, or enjoying a movie in bed.

Reading Mode with S Pen
Indulge yourself with a good book in any environment with Reading Mode that reads just like paper. By optimising the gorgeous screen to provide perfect illumination and tone, it delivers a comfortable reading experience in all lighting conditions. And with the ability to annotate directly with the S pen, all on a size made easy to hold, reading has never been more enjoyable, even on the go.

Multi Window
For tasks that require multiple apps open at once, Multi Window makes it easy. Notes, email, maps, search, messenger - do all the things you need at once, all without switching apps. Move, expand, or close any window with a tap of the S Pen for truly smart multitasking.

S Pen / Air View, Easy Clip, Capture, Quick Command
The S Pen is no ordinary tool. Use it to tap the hard keys for an even more extensive navigation than before. Air View lets you to take a peek at any file just by hovering over it. Clipping gets done swiftly with an expert's precision, and Quick Command helps you easily find what you're looking for. Frankly, you'll be left wondering how you lived without it.

S Planner / Various Sticker, Handwriting, Memo, Search
Life is full of important events and memorable moments - capture them all effortlessly with S Planner. Handwrite events and notes directly in your calendar, or scribble your thoughts down with the natural feel of a pen. You can even decorate handwritten messages and share them with friends and family.

S Note / 10 Templates + 3 New Templates
Take notes in style for all your idea inspirations. You're full of great ideas - S Note transforms them, beautifully refined. Easily create stunning presentations with template enhancements that help your ideas stand out from the rest.

Tools of Expression / Paper Artist
Get your creative juices flowing with the perfect tools for the modern artist. With Paper Artist, reach a whole new level of artistic expression with beautiful brushes to create stunning drawings, paintings, and illustrations. With Photo Note, scribble memories on the back of your digital photos with S Pen, for that personalised touch of old photographs. And with easy sharing capabilities built-in, your friends and family can enjoy your latest creations instantly.

Powerful Performance
No matter your demands, the Note is up to the task. Equipped with a powerful quad core processor and 2GB of RAM, all your multitasking, searching, streaming, and gaming just works without a hitch.

Fast Connectivity
Don't get bogged down by slow connections. Stay in the loop with the latest versions of WiFi Channel Bonding / GPS + Glonass.

4,600mAh Battery
Whether you're at the office, at home, or out on the town, you need a mobile device that's always ready. Do more longer with an efficient battery that lasts all day and into the night. Using the S Pen means even more time (up to 14 hours) to do what you want wherever you are.
