Specifications

Overview:

It's a whole new world with the GALAXY Tab 3 at your fingertips. Slimmer, narrower and with a thinner bezel, this new and improved Tab offers incredible grip for easy handling on the go. It's lighter, too, even though it doesn't skimp on performance. In fact, the Tab features a powerful Dual Core processor, dual cameras. You'll also enjoy more apps from Samsung and Google, and free 50GB worth of Dropbox Storage. It just doesn't get any better than that!

Features:

Slimmer for a Comfortable Fit in the Hand
You will feel secure when grasping the GALAXY Tab 3 in your palm. Slimmer and narrower, the new GALAXY TAB 3 is a better fit, while the thinner bezel ensures you have more screen to touch and operate to your advantage. Lighter to boot, the new GALAXY Tab 3 puts your comfort at the forefront.

Useful Device with Up-to-date Technology
This mobile doesn't shy away from power. Equipped with a 1.2 GHZ Dual Core Processor, it can handle just about anything you ask it to do - smoothly, quickly and expertly. Enjoy the convenience of two cameras (3MP/1.3MP) for video chatting, taking shots of others or even perfectly-framed photos of yourself. Web browsing has never been easier, quicker or more reliable with the Channel Bonding connections. Surf away and enjoy fast and easy data transfers.

Absolutely unlimited entertainment
Video Hub is your personal video store concierge -- 1,000+ titles and counting -- with virtually no wait time during progressive downloads so that you can enjoy video contents right away. Forget lugging around stacks of books, For your best convenience and satisfaction, Music Hub provides a full music store loaded with your favorite tunes. Game Hub, your go-to source for premium and multi-player games, lets you jump into action any time, wherever you are.

Dropbox
Enjoy 50GB worth of free Dropbox storage for 2 years. This enables storage of all files that are accessible directly on your mobile and anywhere else there is an internet connection.

More voice & messaging options
The convenience of voice calling from GALAXY Tab 3 is yours at all times, great back-up should you ever forget your phone and need to make or receive a call. Embedded receiver ensures good quality sound or go with wireless BT earpiece. Engage in spur-of-the-moment, group video sessions with Google+ Hangouts, as easily as bumping into somebody on the street. ChatON connects your friends and acquaintances across devices and platforms in a more expressive, dynamic way with unique features like Group Chat, Multimedia Transmission, Buddy Interaction and more.
