GKOE9TPC

Geeko E9 7" 3G Tablet PC

Product Overview

Geeko Tablet PC E9 3G, Bluetooth, WiFi Grey 7" Capacitive Touch Screen

Specifications

Overview:

Have you seen such a large screen phone?At first we thought Geeko E9 is only a 7-inch Tablet PC, when we open the back cover to see the dual SIM card slot, we came to understand is a huge screen phone,the Geeko E9 is a has the appearance of Tablet PC. The style of this Tablet Smartphone is more on the curve and fashion sense, the fuselage equipped with a 7.0 inch capacitive screen resolution up to 480 x 800 pixels, 3D screen, the effect is very realistic.

Geeko E9 equipped a flourishing Android v2.3.6 OS, powerful scalability, and software resources are extraordinarily rich.Buit-in MediaTek MTK6573 intelligent platform for high-performance processor: 670MHz and a independent 3D graphics chips.

Support video into a dynamic wallpaper, you can also set up a real 3D dynamic desktop. In addition, the perfect support for WIFI Internet access, GPS navigation, dual card dual standby, 3G high-speed Internet access, free analog TV function, overall performance is very eye-catching. And Geeko E9 USB interface design with the iphone is consistent with the Apple Universal, very convenient!!
