Microsoft Windows Ultimate 7 64Bit English 1 Pack DVD DSP

Product Overview

Microsoft Windows Ultimate 7 64Bit English 1 Pack DVD DSP

(DSP software can only be purchased for new systems with no O.S. installed)

Specifications

Overview:

Windows 7 Ultimate gives you everything Home Premium and Professional offers - plus added security features and the flexibility to work in multiple languages. Create a home network and share all of your favorite photos, videos and music. You can even watch TV programs for free, whenever and wherever you want.

Features:

- Get everything Home Premium and Professional offers - plus added security features and the flexibility to work in multiple languages.
- Use BitLocker and BitLocker To Go to better protect your valuable files - even on removable drives such as USB devices.
- Access corporate resources seamlessly when you're on the Internet, without having to initiate a VPN connection.
- Switch among any of 35 languages as easily as logging off and back on again.
- Back up your files to an external hard drive, secondary hard drive, writable CD or DVD, or to a network location.
- Take advantage of the powerful diagnostics and troubleshooters built into Action Center to resolve many computer problems on your own.
- Watch, pause, and rewind TV or record it to watch whenever and wherever you want (For some Windows Media Center functionality, a TV tuner and additional hardware may be required).

Specifications:
