GS105D

Cudy 5-Port Gigabit Desktop Switch

Product Overview

Cudy 5-Port Gigabit Desktop Switch

Specifications

Features:

- 5 x 10/100/1000Mbps Auto-Negotiation RJ45 ports supporting Auto-MDI/MDIX
- IEEE 802.3, IEEE 802.3u, IEEE802.3x, IEEE 802.3ab standard
- Supports MAC address auto-learning and auto-aging
- Non-blocking switching architecture enables full wire-speed packets forwarding and filtering
- Cudy green technology saves the power up to 85%
- Plug & Play, Desktop design

Easy to Use

- Plug and play, hassle-free, no configuring is required.
- Auto MDI/MDIX eliminates the need for crossover cables.
- Auto-negotiation on each port detects the link speed of a
- network device (10/100/1000Mbps) and intelligently adjusts for compatibility and optimal performance.

High Performance

Auto-negotiation RJ-45 ports can provide large file transferring and also be compatible with any 10/100/1000Mbps Ethernet devices. Featuring non-blocking switching architecture, the product forwards and filters packets at full wire-speed for maximum throughput. IEEE 802.3x flow control for Full Duplex mode and backpressure for Half Duplex mode offer increased bandwidth to alleviate network congestion, making the switch work reliably.

Gigabit Ports for Faster Speed

Increase the speed of your network with the 5-port Gigabit switch. Non-blocking, 5 10/100/1000Mbps ports enables instant transferring of large, bandwidth intensive files without interference.

Smooth Online Experience

The switch connects up to 5 devices with a speed of up to 1000 Mbps. Provides you with an extremely smooth experience to enjoy a powerful, seamless, affordable and easy-to- use 1000Mbps network, ideal for multimedia, graphics, HD video and other applications that require large transfer allocation.

Energy Efficient and Power Saving

Automatically adjusts Power consumption according to the link status and cable length.This Gigabit Desktop Switch features the innovative energy-efficient technologies that can greatly expand your network capacity with much less power.

Specifications	
Product Code	GS105D
Model	GS105D
Interfaces	5x 10/100Base-TX Port
Standards	IEEE 802.3, IEEE 802.3u, IEEE 802.3x
Protocol	CSMA/CD
Data Rate	10/100/1000Mbps
Transmission Method	Store-and-Forward
Switching Features	MAC address auto-learning and auto-aging Half and Full Duplex 1Gbps backplane bandwidth
LED Indicators	LAN~LAN5, Power
MAC Address Table	2K entries per device
Power Supply	DC 5V 0.5A
Dimensions W*D*H	100mm x 74mm x 27mm
Weight	135g
Operating Temperatur	0 degreesC~40 degreesC (32 degreesF~104 degreesF)
Storage Temperature	-40 degreesC~70 degreesC (-40 degreesF~158 degreesF)
Relative Humidity	10%~90%, non-condensing
Storage Humidity	5%~95%, non-condensing
Package Contents	1 x Power Adapter ; 1 x Switch ; 1 x User Manual
