

GT1030-2G-BRK

Asus Geforce GT 1030 2GB GDDR5 Low Profile PCI-e 3.0 x16 Graphics card

Product Overview

Asus Geforce GT 1030 2GB GDDR5 Low Profile PCI-e 3.0 x16 Graphics card, 1468 MHz GPU Boost Clock, 384 CUDA Cores, 64-bit Memory Interface, GDDR5 Memory Type, 1x HDMI 2.0b, 1x DisplayPort 1.4, 2 Multi-Monitor support, 7680x4320 Maximum Digital Resolution, Active cooling, Single slot

Specifications

Overview:

The Asus GeForce GT 1030 2GB GDDR5 Low Profile Graphics Card delivers an ideal balance of power, performance, and compact design, making it the perfect choice for space-constrained builds. Whether you're enhancing your desktop setup for general use or looking to boost casual gaming and multimedia experiences, this graphics card provides reliable, efficient performance without overwhelming your system.

Optimised for compact chassis, this single-slot, low-profile card ensures that your build remains sleek and functional while offering impressive visual output. The Asus GT 1030 is powered by the NVIDIA GeForce GT 1030 GPU and built on the NVIDIA Pascal architecture, providing a substantial boost in performance compared to previous generations. Featuring 2GB of GDDR5 memory and a 6008 MHz memory clock, it ensures smooth handling of everyday tasks and light gaming.

Equipped with Auto-Extreme Technology, the card guarantees high-quality components through a fully automated production process, ensuring long-lasting durability and minimal risk of failure, even in demanding environments. The Super Alloy Power II technology further enhances efficiency by reducing power loss, lowering temperatures, and minimising electrical buzzing, improving overall reliability.

For users looking to fine-tune their performance, the GPU Tweak II software offers a redesigned UI with an easy-to-use interface for overclocking. The Gaming Booster function allows for instant performance optimisation with just one click, boosting your system's potential by disabling unnecessary processes and optimising memory without closing applications.

This graphics card is perfect for users who require dependable, space-saving solutions for multi-monitor setups, supporting resolutions up to 7680 x 4320 across two monitors. With its 1x HDMI 2.0b and 1x DisplayPort 1.4, it provides versatile display connectivity. The Asus GT 1030 is well-suited for budget-conscious gamers, content creators, and general users who value versatility, efficiency, and smooth, high-resolution visual output.

Features:

- Single-slot design for space-efficient installation in small form-factor builds
- Auto-Extreme Technology ensures high-quality, reliable components through fully automated production
- Super Alloy Power II for enhanced power efficiency, reduced power loss, and better thermal performance
- GPU Tweak II software for easy overclocking and system optimisation

ComX Computers

Product Specification Sheet

- Gaming booster function to optimise system memory and disable unnecessary system processes
- Supports dual displays with up to 7680x4320 resolution
- Active cooling for consistent, efficient thermal management
- Low-profile design is ideal for compact chassis
- NVIDIA Pascal architecture for improved power efficiency and performance
- No power connector needed for easy setup and low power requirements
- DirectX 12 and Vulkan API support for modern gaming and graphics applications

WHAT'S IN THE BOX:

- Asus GeForce GT 1030 2GB GDDR5 Low Profile Graphics Card x1

Specifications	
Product Code	GT1030-2G-BRK
Chipset	
GPU	GeForce GT 1030
Chipset Manufacturer	NVIDIA
Interface	PCI-E 3.0 x16
OC Mode Clock	
GPU Base Clock	1266 MHz
GPU Boost Clock	1506 MHz
Gaming Mode Clock	
GPU Base Clock	1228 MHz
GPU Boost Clock	1468 MHz
CUDA Cores	384
GPU Architecture	NVIDIA Pascal
Memory	
Effective Memory Clock	6008 MHz
Memory Size	2GB
Memory Interface	64-bit
Memory Type	GDDR5
3D API	
DirectX	DirectX 12
OpenGL	4.5
Vulkan	Vulkan API
Connectivity	

ComX Computers

Product Specification Sheet

Ports	1x HDMI 2.0b
	1x DisplayPort 1.4
HDCP Support	V2.2
Multi-Monitor Support	2
Maximum Digital Resolution	7680x4320
General	
SLI Support	N/A
Features	Active Cooling
	AUTO-EXTREME Technology
	GPU Tweak II
Power Requirements	
Recommended Power Supply	300W
Power Connector	N/A
Physical Aspects	
Form Factor	ATX
Slot Width	Single Slot
Dimensions	16.9 x 6.9 x 2.1cm
