Product Overview

Hisense White Single Door Chest Freezer - 141 Litres Capacity, External Handle, A Energy Efficiency Class, 4 Star Freezer Compartment, Seamless Frame, Boundless Door, Keep for 160H, Convert Active, Lock with Key, Smooth Sliding Basket, Door Hover, Color White, Retail Box

Specifications

About this product

The Hisense H180CF 141L White Single Door Chest Freezer provides practical frozen food storage with a 4 Star freezer compartment, A Energy efficiency class, 7kg per 24 hour freezing capacity and up to 160 hours of storage during a power failure. Features include a seamless frame, Boundless Door, external handle, lock with key, smooth sliding basket and Convert Active functionality for switching from freezer to fridge operation. Buy the Hisense H180CF online for reliable food storage in South Africa.

Overview Summary

The Hisense H180CF is a 141 litre single door chest freezer designed for households and other applications requiring additional frozen food storage. Its 4 Star freezer compartment, mechanical control system and manual defrost design provide straightforward and practical freezer operation, while the 7kg per 24 hour freezing capacity supports everyday food preservation.

The freezer features a white finish, external handle, seamless frame, Boundless Door and smooth sliding basket for convenient access and organisation. The Door Hover function helps keep the door open within its supported range, while the lock with key provides added control over access. Convert Active allows the appliance to be switched from freezer to fridge operation for flexible storage requirements.

Performance tier: Practical household chest freezer

Uses: Frozen food storage, household food preservation, bulk food storage, additional freezer capacity, flexible freezer or fridge storage

Overview

Hisense H250CF is a 141L (net capacity 141L) white single-door chest freezer with A energy efficiency, consuming 252 kWh/year and featuring a foaming door with external handle for a sleek, insulated design. It delivers 4-star freezing performance with 7kg/24hr capacity, maintains temperature for 160 hours during power outages, and operates quietly at 41dB using eco-friendly R600a refrigerant (48g). The freezer includes manual defrost, mechanical control system, versatile SN/N/ST/T climate class (10-43degreesC), 1.5m power cable, CB/ERP certifications, and runs on 220-240V/50Hz with 1.2A input.

Description

The Hisense H180CF is a 141 litre white single door chest freezer designed to provide additional food storage capacity in a practical horizontal format. It offers a 141 litre gross and net capacity, with the full 141 litres available as freezer compartment capacity.

For food preservation, the H180CF has a 4 Star freezer compartment and a freezing capacity of 7kg per 24 hours. Hisense specifies a maximum storage time of up to 160 hours during a power failure, helping protect stored frozen food when electrical power is interrupted.

The freezer uses a mechanical control system and manual defrosting. It has a maximum noise level of 41 dB(A), R600a refrigerant with a 48g charge, and an A Energy efficiency class. Energy consumption is specified at 252 kWh per year and 0.69 kWh per 24 hours under the stated EN153 measurement.

The H180CF is designed for convenient everyday use with an external handle, smooth sliding basket and Door Hover function. Its seamless frame and Boundless Door provide a clean appearance, while the lock with key offers added access control. Convert Active allows the freezer to be switched to fridge operation when flexible storage is required.

With dimensions of 60.6 x 55.9 x 85.8 cm and a net weight of 21 kg, the Hisense H180CF provides a practical storage solution

for homes and other suitable environments requiring additional cold storage capacity.

Features

The Hisense H180CF combines practical frozen food storage with flexible operation and convenient access features.

- 141 litre capacity: Provides 141 litres of net freezer storage for everyday and bulk food storage.
- 4 Star freezer compartment: Provides a dedicated freezer compartment specification for frozen food storage.
- A Energy efficiency class: Designed to provide efficient everyday freezer operation.
- Keep for 160H: Hisense specifies up to 160 hours of maximum storage time during a power failure.
- Convert Active: Allows the appliance to be switched from freezer operation to fridge operation.
- Seamless frame: Provides a clean and integrated exterior design.
- Boundless Door: Provides a streamlined door design with a smooth appearance.
- External handle: Provides convenient access to the chest freezer.
- Smooth sliding basket: Helps organise and access stored food inside the freezer.
- Door Hover: Helps keep the door in position when opened within its supported range.
- Lock with key: Provides additional control over access to the appliance.
- Mechanical control: Provides straightforward manual control of the appliance.
- Manual defrost: The freezer uses a manual defrosting system.
- White finish: Provides a clean, neutral appearance suitable for a range of environments.

- Model: H180CF
- Appliance type: One door chest freezer
- Colour: White
- Gross capacity: 141 L
- Net capacity: 141 L
- Net freezer compartment capacity: 141 L
- Energy efficiency class: A
- Freezer compartment rating: 4 Star
- Energy consumption: 252 kWh per year
- Energy consumption per 24 hours: 0.69 kWh per 24 hours
- Freezing capacity: 7 kg per 24 hours
- Maximum storage time during power failure: 160 hours
- Maximum noise level: 41 dB(A)
- Refrigerant: R600a
- Refrigerant charge: 48 g
- Voltage: 220-240 V
- Frequency: 50 Hz
- Power input and current: 1.2 A
- Control system: Mechanical
- Defrosting: Manual
- No Frost: No
- Wind air system: No

- Climate class: SN / N / ST / T
- Door design: Foaming door
- Handle: External handle
- Seamless frame: Yes
- Boundless Door: Yes
- Convert Active: Yes - freezer switch to fridge
- Lock with key: Yes
- Smooth sliding basket: Yes
- Door Hover: Yes
- Power cable length: 150 cm
- Unit dimensions without handle: 606 x 559 x 858 mm
- Unit dimensions without handle: 60.6 x 55.9 x 85.8 cm
- Net weight: 21 kg
- Gross weight: 23 kg
- Certifications: CB / ERP

FAQ

What is the capacity of the Hisense H180CF chest freezer?

The Hisense H180CF has a 141 litre gross capacity and 141 litre net capacity, with 141 litres specified for the freezer compartment.

How long can the Hisense H180CF keep food during a power failure?

Hisense specifies a maximum storage time of up to 160 hours during a power failure for the H180CF freezer.

Is the Hisense H180CF energy efficient?

Yes. The Hisense H180CF has an A Energy efficiency class and specified energy consumption of 252 kWh per year.

Can the Hisense H180CF be used as a fridge?

Yes. The Convert Active feature allows the appliance to be switched from freezer operation to fridge operation.

Does the Hisense H180CF have a 4 Star freezer compartment?

Yes. The H180CF has a 4 Star freezer compartment specification.
