HP ULTRIUM 200GB PRE-LABEL DATA CARTRIDGE 20 PACK

Specifications

Overview:

Hp - 1 x lto ultrium 100 gb / 200 gb - ultrium 1 - storage media

Store and backup your data securely and reliably with this hp lto-1 ultrium 200gb data cartridge. It offers 200gb of compressed storage, and is easy to manage. It has been rigorously tested by hp to ensure its reliability, and it offers up to 30 years archival life.

The data cartridge features a memory chip which provides faster access time and enhanced media monitoring. The "smart grabber" mechanism and mechanical interlock prevent the leader pin from being pulled inside the tape housing, while sensors detect proper connection and prevent leader loss which could ruin the tape. The simplified tape path reduces wear and tear as well as the build-up of debris. Hp's lto ultrium tape cartridges offer an affordable and robust way to store and backup your data.
