

HCB101

Bennett Read 2 Meter Car Cleaning Brush

Product Overview

Bennett Read 2 Meter Car Cleaning Brush. HCB101; 2m extension pole; 5cm non-scratch bristles; aluminium handle & joints; on/off water flow switch; safe for all surfaces

Specifications

Overview Summary

Bennet Read 2 Meter Car Cleaning Brush delivers extended reach and versatile cleaning power for your vehicle, caravan, windows, solar panels or outdoor furniture. The telescopic pole extends from 1m to 2m so you can clean high or wide surfaces without strain. With long non-scratch bristles and an integrated on/off switch for water flow control, this tool lets you wash and rinse in one go, saving time and effort.

The construction uses aluminium in the joints and handle, making the brush lightweight yet durable for regular outdoor use. The 5cm bristles are safe on delicate surfaces and effective against dirt. This product is idea for home care, car wash, caravan maintenance, window cleaning and solar panel upkeep.

Performance tier:Mid to High Durability / Utility

Uses:Car wash, Caravan cleaning, Exterior window washing, Solar panel maintenance, Outdoor furniture upkeep

Overview

The Bennett Read 2 Meter Car Cleaning Brush features long, non-scratch bristles and an adjustable telescopic pole extending from 1m to 2m for easy reach. It includes an on/off switch for controlled water flow, allowing you to wash and rinse in one go. Lightweight and durable with aluminum joints and handle, it's safe for all surfaces and built to last.

Description

The Bennett Read 2 Meter Car Cleaning Brush is designed for maximum reach, flexibility and ease of use. The adjustable pole gives full extension from 1m to 2m so you can access roofs, caravan tops, high windows or wide panels without ladders. The long 5cm non-scratch bristles are gentle on paint and glass but still effective at removing dust, grime, bird droppings and environmental residue. With the on/off switch control you can direct water only when needed, ensuring efficient wash and rinse cycles.
