Product Overview

HP LaserJet 500-sheet Feeder/Tray

Specifications

Overview:

Enhance productivity with a simple-to-install paper tray that allows you to print more pages without reloading paper and keep two different types of paper loaded.

Those who want to add input capacity and media flexibility to their HP LaserJet printer

Features:

Reduce trips to the printer to reload paper with this paper input accessory. Print more pages without having to reload paper.

Automatically print on two different types of paper such as plain paper and glossy brochure paper without manually loading paper trays for each print job.

Save time and improve the performance of individuals and workteams with the increased paper capacity of this 500-sheet paper tray from HP. With more sheets of available paper, users spend less time refilling paper trays.
