Overview Summary

Kenwood HFG60.000BK 6 Litre Air Fryer with Grill Function and Viewing Window

The Kenwood HFG60.000BK is a multifunctional air fryer designed for convenient everyday meal preparation. Its 6 litre capacity provides cooking space for a variety of meals, while the 1300W power rating supports its cooking operation. The integrated grill function offers an additional cooking option for preparing a range of ingredients.

The touch digital display and 8 preset programs make it easy to select cooking settings. A 60 minute timer helps manage cooking duration, while the adjustable temperature reaches a maximum of 200 degrees C. The transparent basket and internal light allow you to monitor food during cooking without relying solely on opening the basket.

Performance tier:Everyday home cooking

Uses:Air frying, grilling, preparing snacks, cooking vegetables, preparing meat and poultry, reheating suitable foods

Overview

Kenwood Air Fryer with Grill Function and Window delivers versatile 1300 W cooking in a spacious 6 L basket, with a maximum temperature of 200degreesC and a 60-minute timer. Its touchscreen digital display and eight preset programs make meal preparation simple, while the grill function adds options for browning, crisping, and finishing dishes. The transparent basket with internal viewing light lets you monitor food without opening the fryer, and it cooks with just one spoonful of oil; a recipe book is included.

Description

The Kenwood HFG60.000BK Air Fryer with Grill Function and Window is designed to make everyday cooking more convenient. With a 6 litre capacity, it provides room to prepare a variety of foods for meals and snacks. Its air frying function offers an alternative to conventional frying methods, while the additional grill function expands the range of cooking options available in one appliance.

The 1300W power rating and maximum temperature of 200 degrees C support a range of cooking tasks. The temperature setting allows you to choose a suitable cooking level for your ingredients, while the 60 minute timer helps you manage the cooking duration.

The touch digital display provides an accessible way to operate the appliance, and the 8 preset cooking programs offer convenient starting points for different food preparation tasks. These preset options help simplify operation without requiring you to select every setting manually.

A key feature is the transparent basket with an internal light. This design lets you view food as it cooks and check its progress more conveniently. The glass material adds to the appliance's distinctive design, while the integrated grill function provides added flexibility for home cooking.

Suitable for kitchens where versatility and ease of use are important, the Kenwood HFG60.000BK can be used to prepare a variety of meals and snacks. Follow the manufacturer's operating and cleaning instructions and use appropriate settings for each type of food.
