Performance tier: Professional

Uses: Mini Dome camera wall mounting, security camera installation, CCTV installations, residential security, commercial security

Overview:

The Hikvision DS-1272ZJ-120 is a wall mounting bracket designed for Mini Dome cameras, providing a secure and practical installation solution for compatible Hikvision surveillance systems. Made from durable aluminum alloy and finished in Hikvision white, this wall mount is suited to a range of professional CCTV installations where reliable camera positioning is important.

Description:

The Hikvision DS-1272ZJ-120 wall mount provides a sturdy mounting point for compatible Mini Dome cameras while helping installers achieve a clean and professional installation. Its aluminum alloy construction offers a good balance of strength and weight, making it suitable for indoor and selected outdoor surveillance applications where the mounting environment is appropriate. The Hikvision white finish also blends neatly with many camera installations and building surfaces.

Features:

Hikvision DS-1272ZJ-120 Wall Mounting Bracket
Designed specifically for Mini Dome cameras, the DS-1272ZJ-120 helps position a compatible camera securely on a wall. Its compact design makes it practical for CCTV installations where space, appearance and dependable mounting are important considerations.

The bracket is manufactured from aluminum alloy for a combination of durability and structural strength. The Hikvision white finish provides a professional appearance that works well with compatible Hikvision camera systems.

Key installation points include:

- Wall mounting design for compatible Mini Dome cameras
- Durable aluminum alloy construction
- Hikvision white finish
- Designed for professional CCTV and surveillance installations
- Compact mounting solution for suitable Hikvision Mini Dome cameras

Size and Construction
The Hikvision DS-1272ZJ-120 has dimensions of 120 x 122 x 173.5 mm. Its aluminum alloy construction provides a robust mounting platform while keeping the bracket suitable for practical camera installation work.

- Material: Aluminum alloy
- Colour: Hikvision white
- Dimensions: 120 x 122 x 173.5 mm
- Mounting type: Wall mount
- Compatible camera type: Mini Dome cameras

Part Number and Product Identification
This Hikvision wall mounting bracket is supplied under part number / SKU HK-302700325 . When ordering or checking compatibility, use the DS-1272ZJ-120 model number and HK-302700325 SKU to help ensure the correct mounting accessory is selected.

Suitable CCTV Applications
The DS-1272ZJ-120 is a practical choice for surveillance installations requiring a dedicated wall mounting bracket for compatible Hikvision Mini Dome cameras. It can help create a neat, secure camera installation in offices, commercial premises, buildings and other CCTV environments.
