HK-302701533

Hikvision Hik vertical pole Mount bracket

Product Overview

Hikvision Hik vertical pole Mount bracket, Hikvision White, Stainless steel material, 127 mm x 46 mm x 250 mm dimension

Specifications

Overview Summary:

The Hikvision DS-1275ZJ-SUS vertical pole mount bracket provides a secure mounting solution for compatible Hikvision surveillance cameras. Constructed from stainless steel with a Hikvision white finish, it is designed for durable outdoor security installations.

With its compact 12.7 x 4.6 x 25 cm dimensions and 1.48 kg weight, this pole mount bracket is suited to professional CCTV installations where reliable camera positioning is required. Buy now to complete your Hikvision surveillance setup.

Performance tier: Professional

Uses:CCTV camera mounting, pole-mounted surveillance, security camera installation, outdoor surveillance systems

Overview:

Hikvision DS-1275ZJ-SUS Vertical Pole Mount Bracket
The Hikvision DS-1275ZJ-SUS is a durable vertical pole mount bracket designed for secure Hikvision camera installations on poles and similar mounting surfaces. Made from stainless steel and finished in Hikvision white, it provides a practical and professional mounting solution for compatible surveillance equipment.

Description:

The Hikvision DS-1275ZJ-SUS vertical pole mount bracket is built for reliable outdoor and surveillance installation applications. Its stainless steel construction provides strength and durability, while the Hikvision white finish helps maintain a clean appearance alongside Hikvision security cameras and equipment. With its compact design, this bracket makes it easier to mount compatible devices securely where wall or ceiling mounting is not suitable.

The bracket is designed as a horizontal pole mounting solution and is suitable for installations where a stable attachment point

is required. Its robust construction makes the DS-1275ZJ-SUS a useful accessory for CCTV installers working on commercial, industrial, residential and other security projects.

Features:

Hikvision DS-1275ZJ-SUS Pole Mount Bracket
Designed specifically for pole-based camera installations, the Hikvision DS-1275ZJ-SUS offers a straightforward mounting option for compatible Hikvision surveillance equipment. The stainless steel material helps it withstand regular installation demands, while the Hikvision white finish provides a consistent look with compatible products.

Key details include:

- Vertical pole mounting bracket for Hikvision surveillance installations
- Horizontal pole mount design
- Stainless steel construction for durability
- Hikvision white finish
- Dimensions: 127 mm x 46 mm x 250 mm

Compact and Durable Mounting Design
With dimensions of 127 mm x 46 mm x 250 mm, the bracket provides a practical form factor for pole mounting without adding unnecessary bulk. Its stainless steel construction makes it suitable for demanding CCTV installation environments where a dependable mounting accessory is required.

Suitable for CCTV Installation Projects
The DS-1275ZJ-SUS can be used as part of a Hikvision surveillance installation where cameras or compatible equipment need to be mounted to a vertical pole. It is well suited to installers looking for a purpose-built Hikvision mounting accessory with a durable metal construction.

For ordering and product identification, the part number / SKU is HK-302701533.

Technical Details

- Product model: Hikvision DS-1275ZJ-SUS
- Product type: Vertical pole mount bracket
- Mounting type: Horizontal pole mount
- Material: Stainless steel
- Colour: Hikvision white
- Dimensions: 127 mm x 46 mm x 250 mm
- Part Number / SKU: HK-302701533

Why Choose the Hikvision DS-1275ZJ-SUS
The Hikvision DS-1275ZJ-SUS combines a durable stainless steel construction with a purpose-designed pole mounting format. It is a practical choice for CCTV installers who need a secure and professional mounting accessory for compatible Hikvision surveillance equipment.
