

# HL2270DW

Brother HL-2270DW A4 Mono Laser Printer

## Product Overview

Brother HL-2270DW A4 Mono Laser Printer, 27ppm Duplex, 16Mb, HQ1200dpi, PCL6, Wifi and Network ready, Includes USB Cable

## Specifications

### Overview:

The HL-2270DW is a monochrome laser printer that offers an automatic duplex capability for printing two-sided documents with ease, fast printing at up to 27 pages per minute, and built-in wired and wireless networking for sharing with others. It features a stylish, space-saving design that complements virtually any environment. In addition, it offers convenient paper handling via an adjustable, 250-sheet capacity tray. To help lower your operating costs, a high-yield replacement toner cartridge is available.

### Features:

- Flexible connectivity. Provides built-in wireless 802.11b/g and Ethernet interfaces to share with others on your network. Eliminate extra cables and conveniently place your printer with wireless networking or connect locally to a single user via its USB interface.
- Easily print two-sided documents. Produce professional-looking two-sided documents, brochures and booklets using the automatic duplex printing feature. This feature can help reduce your paper use and save money.
- Fast laser printing. Helps improve your productivity with a print speed of up to 27ppm
- Convenient paper handling. The HL-2270DW can meet all of your printing needs via an adjustable, 250-sheet capacity paper tray that handles letter or legal size paper and a manual feed slot for printing envelopes and letterhead.
- Stylish, compact design. The HL-2270DW's small footprint will conserve valuable workspace.
- Easy to set up and use. Users with wireless access points that support Wi-Fi Protected Setup or AOSS can automatically configure their wireless settings by simply pressing a button on their router.
- High-quality output. With a print resolution up to 2400 x 600 dpi, the HL-2270DW produces professional-looking output with crisp text and excellent graphics.
- Toner Save mode. Use less toner and save money by using Toner Save mode for your less critical business documents
- Straight-through paper path. A manual feed slot and rear paper exit provide a straight-through paper path to ensure that all of your printed materials always look their best.
