Overview:

Acer E10 ETBook R3 15.6-inch Laptop

The Acer E10 ETBook R3 is a practical 15.6-inch laptop designed for everyday work, study and home computing. With an AMD Ryzen 5 processor, 8GB of DDR4 memory and fast 512GB NVMe SSD storage, it provides a solid combination of responsive performance and useful storage for documents, applications and media.

Its 15.6-inch Full HD display provides plenty of workspace for spreadsheets, documents, web browsing and video content. The slim 18.1 mm chassis and approximately 1.72 kg weight also make the ETBook R3 easier to carry between home, office, school or other work locations.

Features:

AMD Ryzen 5 Performance for Everyday Computing

The AMD Ryzen 5 3500U quad-core processor provides dependable performance for common productivity tasks. It is well suited to web browsing, Microsoft Office applications, email, video calls, document management and general multitasking.

Integrated AMD Radeon Vega 8 graphics handle everyday visual workloads without requiring a separate graphics card, helping keep the laptop practical and power efficient.

15.6-inch Full HD Display

The 15.6-inch Full HD display delivers a 1920 x 1080 resolution for clear text and detailed images. The non-gloss finish is useful for office work and other environments where reflections can become distracting.

The larger screen also provides comfortable space for working with spreadsheets, documents and multiple windows.

Fast SSD Storage and 8GB RAM

The 512GB PCIe Gen3 NVMe SSD provides fast access to applications and files while offering useful storage for work documents, photos, videos and other data.

With 8GB of DDR4 memory, the ETBook R3 is equipped for everyday multitasking. The available memory expansion capability also provides room to increase RAM when required.

Practical Connectivity

The Acer ETBook R3 includes a broad selection of ports, making it suitable for connecting peripherals and external displays without relying heavily on adapters.

- Three USB-C ports, including DC input
- Three USB-A 3.2 Gen 1 ports
- HDMI 1.4 output
- MicroSD card slot
- 3.5 mm audio jack
- Dual-band Wi-Fi
- Bluetooth 5.1

Webcam with Privacy Shutter

For online meetings, remote learning and video calls, the built-in 1MP HD webcam provides a convenient communication option. A physical privacy shutter allows the camera to be covered when it is not being used.

Slim Design for Work and Study

Despite its 15.6-inch display, the ETBook R3 maintains a relatively slim and portable design. At approximately 1.72 kg and 18.1 mm thin, it can be carried between different workspaces without the bulk associated with some larger laptops.

The 55.2 Wh battery is rated for up to 6 hours of use, depending on workload and operating conditions.

Why Choose the Acer E10 ETBook R3?

The Acer E10 ETBook R3 is a sensible choice for users looking for a straightforward laptop for productivity, study and general everyday use. Its Ryzen 5 processor, Full HD screen, NVMe SSD and useful selection of connectivity options provide a balanced setup for a wide range of tasks.

- AMD Ryzen 5 quad-core processing
- 15.6-inch Full HD display
- 8GB DDR4 memory
- 512GB PCIe NVMe SSD
- AMD Radeon Vega 8 integrated graphics
- USB-C and USB-A connectivity
- HDMI output for an external display
- Dual-band Wi-Fi and Bluetooth 5.1
- HD webcam with privacy shutter
- Slim and portable 1.72 kg design

Acer E10 ETBook R3 for Everyday Use

Whether it is needed for office productivity, studying, browsing the internet, video conferencing or managing everyday files, the Acer E10 ETBook R3 offers a practical combination of performance, storage and portability in a 15.6-inch laptop.
