Hiksemi Capture V30 128GB MicroSDXC - without Adapter

Product Overview

Hiksemi Capture V30 128GB MicroSDXC - without Adapter, 180MB/s Maximum Read Speed, 150MB/s Maximum Write Speed, TLC NAND

Specifications

Overview:

The HIKSEMI Capture V30 TF 128GB MicroSD Card is designed to deliver exceptional speed and reliability, making it the perfect choice for capturing high-quality images and 4K videos. With a blazing-fast read speed of up to 180MB/s and a write speed of up to 150MB/s, this microSD card ensures seamless performance, whether you're shooting fast-action scenes or transferring large files. Its V30 rating guarantees smooth video recording, making it ideal for professional photographers, videographers, and content creators who demand high-performance storage.

Built for durability, the HIKSEMI Capture V30 microSD card offers comprehensive protection to safeguard your valuable data. Designed with TLC NAND technology, it provides stable and reliable storage while withstanding extreme temperatures ranging from -10 degrees C to 70 degrees C during operation and -25 degrees C to 80 degrees C when stored. Whether you're shooting in harsh outdoor conditions or storing critical files, this microSD card ensures your data remains safe and intact.

Compatible with a wide range of devices, including microSDHC, microSDXC, microSDHC UHS-I, and microSDXC UHS-I host devices, the HIKSEMI Capture V30 offers maximum versatility. Its high-speed performance and rugged durability make it the perfect solution for action cameras, drones, smartphones, and other high-resolution recording devices. Whether you're a

professional or a casual user, this microSD card delivers the speed, reliability, and capacity needed to capture and store life's most unforgettable moments.

Features:

- 128GB Capacity
- Unleash Ultra Speeds up to 180MB/s
- Capture Lived Moments
- Perfect for Shooting High Quality Image and 4K Video
- Extreme Durability, Comprehensive Protection for Your Memory

WHAT'S IN THE BOX:

- HIKSEMI Capture V30 TF 128GB MicroSD Card - Black x1

Specifications	
Product Code	HS-TF-E3-128G
Capacity	128GB
Max. read speed	180MB/s
Max. write speed	150MB/s
NAND	TLC
Format	MicroSDXC
Operating temperature	-10 degreesC to 70 degreesC
Storing temperature	-25 degreesC to 80 degreesC
Compatibility	Compatible with microSDHC, microSDXC, microSDHC UHS-I, microSDXC UHS-I host devices
Product Dimensions	1.4.9 x 1 x 0.1 cm
