Product Overview

Hiksemi Classic 32GB USB 2.0 Flash Drive - Metal, 10-20 MB/s Maximum reading Speed, 3-10 MB/s Maximum Write Speed

Specifications

Overview Summary:

The HIKSEMI Classic 32GB USB2.0 Flash Drive is the ideal solution for fast, secure, and portable data storage. With its compact all-metal body, it offers both durability and convenience, making it perfect for students, professionals, and everyday users in South Africa. Its plug-and-play functionality means you can transfer files instantly without any software installation. Whether you're backing up documents or sharing media, this flash drive delivers dependable performance.

Buy now and enjoy reliable storage with wide compatibility across Windows and Android devices. Its rugged design makes it perfect for travel, and the keychain-ready form factor means it's always within reach.

Performance tier: Entry-Level

Uses: File transfers, backups, document storage, everyday portable storage

Overview:

HIKSEMI Classic 32GB USB 2.0 Flash Drive - Metal
The HIKSEMI Classic is a versatile and reliable data storage solution designed for both everyday and professional use. With a high-speed USB 2.0 interface delivering read speeds of up to 20MB/s, it ensures fast, efficient file transfers right out of the box-no drivers required. Its plug-and-play functionality makes it the perfect companion for users on the move.

Features:

- Compact & Portable:Ultra-lightweight and easy to carry, ideal for daily use or travel.
- Durable Metal Design:Crafted with an all-metal shell that's shockproof, drop-resistant, waterproof, and dustproof-built to withstand the rigors of daily life.
- Stable Performance:Consistent, reliable data transfer for photos, videos, and documents.
- Broad Compatibility:Works seamlessly with Windows and Android systems-perfect for a variety of devices and usage scenarios.
- Customizable Design:Makes a great gift or promotional item with customization options available.
- Added Convenience:Integrated keychain holder ensures it's always within reach.

What's in the Box:

- 1 x HIKSEMI Classic 32GB USB 2.0 Flash Drive - Metal
