HT-H4500K

Samsung 5.1channel 3D Blue-ray Home Theatre System

Product Overview

Samsung 3D Blue-ray Home Theatre System, 500W 5.1. Ch. Sattelite 3D BD HES, ARC, Built - In Apps, My Karaoke, BT Power on, USB recording

Specifications

Overview:

Stream music from your mobile device with Bluetooth connectivity

Features:

Activate the speakers using your smartphone
Thanks to Bluetooth compatibility, you can use your smartphone to turn your speakers on remotely. Pair the speakers and your smartphone once, and you can quickly and easily power on your speakers by selecting them on your smartphone. It's that simple. As long as the speakers are plugged into a power source, you can wake it up with just one touch and enjoy high quality audio.

High quality surround sound from your TV
Don't let poor sound quality ruin your perfect movie night. With the TV Sound On feature in the Samsung Blu-ray Home Entertainment System, you can hear high quality surround sound from your TV source. All you need to do is to push the 'TV Sound On' hot key on the remote controller and you'll have superior quality surround sound. Your perfect movie night just got better.

Experience the next level of Full HD 3D entertainment
Bring home a more immersive and spectacular 3D experience. With Full HD 3D, your 3D home entertainment will be more exciting and vivid than you had imagined, with powerful features to maximise your enjoyment. Thanks to 3D Auto Contrast, you'll have a crisper image with sharper and more dramatic contrast. Samsung's superior 3D technology uses sophisticated algorithms to minimise image layers and maximise response speed, for more fluid and clear viewing. Make sure you immerse your senses in a new reality of 3D HD.

Bluetooth
Bluetooth is the new way of connecting device to device wirelessly. Samsung audio system is equipped with Bluetooth, it can connect with compatible portable devices wirelessly. Listen to music using your portable music player or even cellular phone without connecting wires.

BD Wise
Let Samsung's BD Wise technology take care of syncing all of your HDMI-connected Samsung devices that deliver dazzling picture quality that brims with bold colours and sharp images. BD Wise automatically shuts off the TV screen when you're only listening to audio through the AV player.

HDMI (ARC)
HDMI ARC (Audio Return Channel) allows you to easily connect compatible devices to process the TV's audio signal without a separate optical cable to your receiver. Two HDMI inputs keep your AV devices connected with fewer cables for a totally new audio experience.
