

HU-JCT425+S

J5 Create JCT425 Multi-Function Monitor Stand USB Type-C, 4K HDMI & 6-Port USB HUB with Power Delivery

Product Overview

J5 Create JCT425 8-in-1 USB Type-C PD Docking Station - type-C (Gen1 5Gbps) -> 5x Usb3.0 hub + 1x type-C (PD3.0 100w fast charge) + HDMi (up to 4K@30Hz) + notebook/lcd Stand with cable management, aluminum + handmade solid wood finish, 534x95x248mm - USB-powered

Specifications

Overview:

The JCT425 is a high-quality monitor stand made with wood and aluminum. It comes equipped with a built-in USB Type-C™ PD Docking Station, providing extra connectivity from your computer. You can add up to 6 additional USB™ peripherals and a 4K HDMI monitor through your USB-C™ port while charging your computer at the same time. When connected with a power source, the USB Type-C™ input charging port allows you to keep charging your notebook or smart phone.

Features:

8-in-1 USB Type-C™ PD Docking Station

- Supports HDMI™ resolution up to 4K @ 30 Hz

ComX Computers

Product Specification Sheet

- USB™ 3.0 Type-A port x 5; USB Type-C™ 3.1 port x 1; with BC 1.2 x 2
- Supports USB Type-C™ upstream & downstream: charging, power delivery 3.0

Hand-made solid wood

Enjoy the wooden table surface with its high aesthetic appeal and attractive grain pattern. The wooden surface also feels great to the touch.

Delicately trimmed aluminum-alloy

The wooden table is combined with an aluminum stand for safety and durability. Unlike a plastic stand, it doesn't break easily. The load capacity of the table is 40 kg. The side handles were created using CNC cutting giving you the ease and convenience to move the stand at any time.

Comfortable viewing angle

Raise your monitor up to eye level for a more comfortable viewing experience. Put less strain on your eyes and neck while improving your computer's ventilation. It is also suitable for use with a TV, printer, mobile phone, laptop, etc.

Optimal size for organizing your desk

Give your desk a refreshing look and better organization. With the empty space directly below the sturdy shelf you can stow away your keyboard and mouse for a tidier desktop space. Stand size is 21.02 (W) x 3.54 (H) x 9.76 (D) in./53.4 (W) x 9.5 (H) x 24.8 (D) cm

Easy set up

Assemble in seconds with the provided instruction manual and tools.

System Requirements:

- Available USB Type-C™ port (USB™ 3.0 is recommended)
- Available DisplayPort™ Alternate Mode over USB Type-C™ connector. DisplayPort™ v1.2 required on graphics card or video source to support 4K @ 30 Hz resolution.
- Available USB™ power delivery over USB Type-C™ to support upstream charging
- Perfect for MacBook Pro® and Chromebook™.
