Specifications

Features:

Wireless surround sound ready
The Wireless Surround Kit* lets you expand your surround sound system easily without the mess of wires**. Together with your Soundbar, you can create a multi-channel system for a true surround sound experience.

Sweet spot anywhere you sit
Every spot is the sweet spot. Get consistently amazing sound everywhere in the room with the state-of-the-art Wide-range tweeter.

Get real, with HD Audio
Feel the sound and get into the action with stunningly realistic HD Audio. It preserves the quality and richness of the original sound through 96kHz/24 bit without down sampling.

Multi-speaker control
Get the ultimate sound experience. Powered by exclusive Samsung technology, multi-array speakers move simultaneously for more powerful bass.

Wireless connection with TV
Connect your Soundbar to your Samsung TV* easily with Bluetooth or Wi-Fi and remove the clutter caused by wires. You'll be able to enjoy all your content instantly with clearer, more impactful sound.

Seamless mount
Keep it simple and clean. Mount the Soundbar directly on your TV without needing to make additional holes in your wall. Use just one cable to power both devices and remove the need for multiple messy wires.

Gain control with one
You don't need several remotes. For power, volume, and even for the sound effects, you can control key Soundbar functions

with a Samsung TV remote through TV UI.

Smart sound mode
Select a sound mode, or let the Soundbar choose for you. It automatically analyzes the sound and gives you the best sounds optimized for your content.

Music streaming service
Whatever songs get your heart beating, Soundbar Sound+ can stream them from your phone or tablet. Simply use Bluetooth or connect to Wi-Fi to play your music.

Samsung Multiroom App
With the Samsung Multiroom App you'll, be playing your favourites in a new way, quickly and seamlessly.
