Specifications

Features:

A Spark of Magic on the Go

Full-function 0.95" AMOLED colour clickable touchscreen, brings the seamless vision of a 2.5D display to your wristband. See the future you through this bright screen.

Meet the Wearables Wearable

Rain or shine, Quicksand Gold tie or shorts, this is a wearable that is a pleasure to wear. A thin, classy, colourful and soft silicone strap, with a metal frame and an ergonomically designed curvature, will make sure that your body and your skin will thank you for wearing the HUAWEI Band 3 Pro.

*Some of the band's faces will be available from OTA upgrade.

Holistic Health Tracking

Keep your mind on your body.

Smarter Heart Monitoring

Innovative hardware design using IR light, backed by intelligent AI, will give you precise, up-to-the-second heart rate data day or night with the HUAWEI TruSeen 3.0 precision heart monitoring system.

Take Control of Your Sleep

Data monitoring and presentation tools developed through in-depth cooperation with Harvard Medical Schools CDB centre helps you identify and correct the six most common sleep-related issues. This feature provides you with more than 200 potential solutions and suggestions to help you sleep better and make mornings easier.

Smart Sports Tracking and Coaching

personalised smart training helps you own your fitness.

Built-in GPS with Stamina

A low power consumption built-in GPS, tuned for long-distance running, makes sure you know exactly where you are and how far you've gone, seven hours* at a time. HUAWEI Band 3 Pro provides real-time evaluation of training effects, including VO2 max and recovery times.

*Battery life may vary depending on usage.

Swim Smarter, Swim Better

Swim like a champ, with intelligent feedback to recognise and improve your stroke, in the pool and in open water. Waterproof up to 50 meters, HUAWEI Band 3 Pro offers swimming data such as: calories, number of turns and average SWOLF, to improve your swimming.

Life Convenience at a Touch

A suite of tools to give you control over your life.

Control Your Life with a Touch

A wristband that can help you keep your life at your fingertips, even when you're hands-free. Find your phone, see incoming calls and caller ID that lets you reject calls, content preview for messages, photo timer and remote, all with a touch of your finger to your wrist.
