Overview:

Music anytime, anywhere! Unleash your music with the Divoom i-Base-1! Compatible for iPod, iPad, iPhone and other portable music players. "Divoom iBase-1" has sufficient power to fill a room with crystal clear sound from its four full range neodymium dynamic drivers, ideal for home and office. Besides, i-Base-1 is integrated with soft glow night light, filling your room with not just music but also passes the stylish look. The volume can be conveniently controlled via the well-designed mounted control panel. i-Base-1 also works with other audio sources, thanks to the 3.5mm line-in jack. Enjoy listening to music with a built-in docking station that recharges your iPod, iPad, or iPhone.

Features:

Get Outstanding Sound

The Ibase-1 Compact delivers outstanding sound for your iPhone, iPod and other portable music players.

Charge and Play Your iPod

Choose the appropriate insert for your iPod model, and connect it to the Ibase-1. It will receive a charge while you enjoy your music, so it'll be ready to head out the door when you are.

Elegant 360-Degree Design

The Ibase-1 complements any space. It has a 360-degree design that impresses from any angle and a compact size that'll fit on even the smallest nightstand. It includes an adjustable night-light function for added convenience.

Multiple connection options

The speaker system works seamlessly with Apple devices over the Docking station on the front. The AUX-in jack can be also used to access other portable devices via cable.

Convenient one-button operation

The volume can be conveniently controlled via the well-designed mounted control panel.
