Specifications

Overview:

IMMERSE GH50 WIRELESS

- Ultra-Low Latency- Gain a competitive edge with synchronized audio response for every move and immerse yourself in true audio realism.
- Bass-Enhancing 50mm Neodymium Drivers- Reproduce real-life audio across high, medium, and low frequencies.
- Detachable Omnidirectional Mic- A high-quality microphone for clear voice capture.
- Lightweight & Durable Design- Built for comfort at only 326g.
- Cross-Platform Connectivity- PC, MAC, PS5/4, SWITCH, XBOX (*Only through 3.5mm connection)
- Complete Accessories- Includes a carry pouch, 3.5mm cable, USB-C to A charging cable, wireless USB transmitter, & USB-A to USB-C converter.
- Nahimic for Headset- The world-renowned audio software enhances the gaming experience with its 3D Sound technology.

Features:

The IMMERSE GH50 WIRELESS is MSI's first wireless gaming headset broadcasting at a low-latency 2.4GHz frequency with extended hours of immersive audio experience, featuring bass-enhancing audio drivers, an omnidirectional microphone, and advanced software applications. Its cross-platform compatibility brings the gameplay from PC to consoles in a foldable and durable lightweight package.

IMMERSION BEYOND LATENCY

Designed for ultra-low latency, the GH50 WIRELESS ensures you stay one step ahead of the competition. Immerse yourself in the precise sounds of footsteps, explosions, and gunshots, all in real-time, elevating your gaming performance with the advantage of synchronized audio response to complement your every move.

DEPTH OF SOUND

Dive into the vivid details in-game with high-quality audio and surround sound technology. Powered by the bass-enhancing 50mm drivers reproducing high, mid, and low frequencies, GH50 WIRELESS allows you to enjoy the immersive vibration that brings real-life audio experiences to gaming, movies, and music with precise and accurate positioning from any direction.

ALL DAY LISTENING

Seize up to 22 hours of battery life for uninterrupted listening, effortlessly transitioning from all-day entertainment to seamless gaming.

CAPTURE CLEARLY, DETACH EASILY

Maintain clear and crisp voice capture with your teammates, thanks to the high-quality detachable omnidirectional microphone that effortlessly conforms to any head shape. When it is time to unwind and relax to the rhythm of music or the excitement of a movie, simply detach the microphone.

LIGHTWEIGHT COMFORT ANYWHERE

At a mere 326g, the GH50 WIRELESS showcases a compact and lightweight design, providing gamers with easy portability via a foldable headband. The comfortable fit is realized through sturdy construction and precise force distribution, while plush padding adds extended comfort to the head and ears, making it ideal for extended gaming sessions.

TOTAL CONTROL

Take control with the media panel-power up, mute the microphone, and fine-tune volume effortlessly with just a fingertip away. Stay powered up using the USB-C connector for convenient charging.

IMMERSE ACROSS PLATFORMS

Effortlessly connect with ultra-low latency on 2.4GHz wireless or detachable 3.5mm cable, offering versatile gaming on PC and consoles. Immerse yourself in your favorite games across platforms with unparalleled ease.

ACCESSORY ARRAY

The package comes complete with a range of accessories to enrich your experience, featuring a convenient carry pouch, a 3.5mm cable, a USB-C to A charging cable, a wireless USB transmitter capability, and a USB-A to C converter.

NAHIMIC FOR HEADSET

Supported by Nahimic for Headset, the world-renowned audio software, which provides you with an enhanced gaming experience with its 3D Sound technology.

*Nahimic OS requirements: Windows 10 & above

*Install Nahimic for Headset to enjoy the best experience with full functionality.

MSI CENTER

Smarter, Faster, More Personal

MSI's exclusive MSI Center software helps you get the most out of your MSI peripheral products. Enable your experience in real-time with just a few clicks.
