Casey Alpino Black Bluetooth Mobile Headphone

Product Overview

Casey Alpino Bluetooth Mobile Headphone - Black, Retail Box

Specifications

Overview:

Alpino JP503AP Multifunctional Sport Wireless Neckband Now, no more choppy playback, weak batteries, dropped phone calls. Light and compact enough for the gym without sacrificing on audio quality, in-ear headphones are perfect for more or less every situation you can think of throwing at them - running, biking, hiking or simply walking around town. Bluetooth 4.0 increases battery life dramatically while letting you travel further. Advance Audio Distribution profile (A2DP V1.2) will stream you high quality music intact and Audio/Video Remote Control Profile (AVRCP V1.4) is designed to provide a standard interface to control your device. Noise isolation allows for excellent, detailed sound by keeping the unwanted noise out while still allowing you to be aware of the surroundings. Especially tuned for the modern audiophile. Is Ideal For Those Who Love Listening To Music Even During Outdoor Activities. Its Amazing Sound Quality And Convenient Feel Allows You To Listen To Music For Longer Period Of Time.

Features:

- Secure-fit - in-the-ear designed earbuds not only can fit to your ears and stay in your ears comfortable and perfectly, but also free your ears from fatigue and tangle, no pain for long time use, suitable for gym, biking, running or regular usage
- Magnetic design - built-in magnets let you attach the two earbuds together and prevent the earphones from sliding off or cable tangle when not in use, just hang around your neck like a necklace
- Enjoy pure stereo sound music - Latest 10mm speaker drives unit provides a pure, CD-like high quality tone for you, frequency up to 20-20000 Hz, can reach the high pitch and pick up the bass easily, suitable for most of the music styles
- Amazing Battery Life: The new rechargeable Lithium polymer battery supports up to 8 hours playing time and 360 hours stand-by with 1.5 hour quick charge. Just feel free to workout with music even for a long time
- Comfortable and Secure Fit: These Bluetooth headphones are lightweight and comfortable. Ergonomic design, sweatproof flexible silicone ear hooks and soft gel ear tips make your headphones snug in ears and stay in place, perfect for running, jogging, hiking, yoga, gym, etc.
