

K3U-U3

Mecer external chassis - 3.5" SATA I/II to USB 3.0 Interface

Product Overview

Mecer K3U-U3 external chassis with SATA2 to USB 3.0 Interface (3.5") Drive not included. Mecer K3U-U3 external 3.5-inch SATA I/II HDD chassis; USB 3.0 interface; tool-free; hot-swap; LED indicator; portable storage solution

Specifications

Overview Summary

Mecer K3U-U3 External HDD Chassis enables you to quickly turn any 3.5-inch SATA I / SATA II desktop drive into a high-speed external storage device. Its USB 3.0 interface delivers data transfer rates up to 5 Gbps, while maintaining backward compatibility with USB 2.0 and 1.1.

The chassis is designed for convenience, supporting tool-free installation and hot-swapping. An LED indicator provides clear drive status, making it easy to monitor your storage device during use.

Ideal for data backup, media storage, or transferring large files, the Mecer K3U-U3 is a portable and reliable solution for personal or professional use.

Performance tier: High-speed external storage

Uses: data backup, file transfer, media storage, portable storage, HDD conversion

Description

The Mecer K3U-U3 is a practical external chassis designed for 3.5-inch SATA desktop hard drives. It allows users to quickly convert an internal drive into a portable external device without tools, providing hot-swap functionality and easy connectivity via USB 3.0.

Its durable yet lightweight design makes it convenient to carry, while the LED indicator shows drive status at a glance. Compatible with multiple USB standards, this enclosure ensures reliable data transfer for backups, file storage, and media libraries.

Features

- Supports 1x 3.5-inch SATA2 HDDs (hard drive not included)
- High-speed USB 3.0 interface, up to 5 Gbps transfer rate

ComX Computers

Product Specification Sheet

- Backward compatible with USB 2.0 and 1.1
- Tool-free installation for easy drive insertion
- Hot-swappable for convenient drive replacement
- LED indicator for power and drive activity status
- Durable and lightweight design for portability
- Plug-and-play operation without additional drivers
- Excellent heat dissipation
- Maximum drive capacity: 2TB

What's in the Box

- Mecer K3U-U3 external HDD chassis
- USB 3.0 cable
- Power adapter
- User manual

Specifications

- Product Code: K3U-U3
- HDD Type: 1x 3.5-inch SATA I/II (drive not included)
- External Interface: USB 3.0
- Maximum Transfer Rate: 5 Gbps
- Compatibility: USB 2.0 / 1.1 backward compatible
- Hot-Swap Support: Yes
- POWER ON/OFF switch
- LED Indicator: Yes / Blue LED for power and HDD activity
- Installation: Tool-free
- Design: Durable and lightweight
- Maximum drive capacity: 1x 2TB

FAQ

Can I use this chassis with any 3.5-inch SATA hard drive?

Yes, the Mecer K3U-U3 supports all standard 3.5-inch SATA I/II desktop hard drives up to 2TB. The drive itself is not included.

Does it support USB 2.0 devices?

Yes, it is backward compatible with USB 2.0 and USB 1.1 interfaces.

Is installation difficult?

No, the chassis features a tool-free design, allowing easy installation and hot-swapping of drives.

What is the maximum transfer speed?

It supports up to 5 Gbps transfer rate via USB 3.0.

Is this chassis portable?

Yes, its lightweight and durable construction makes it convenient for on-the-go use.
