Specifications

Overview:

With cybercriminals unleashing over 3 billion malware attacks each year, you need the best defense - or your PC and everything you store on it could be at risk. Kaspersky Anti-Virus 2015 delivers award-winning anti-malware technologies that work 'behind the scenes' - to deliver rapid and rigorous protection against the very latest viruses, spyware and more. It's the easy-to-use security solution that won't slow down your PC.

Kaspersky Anti-Virus 2015 is your PC's first line of defense against today's complex malware threats. From the moment it's installed, you benefit from essential, real-time protection against the latest malware attacks - without affecting your PC's performance.

Features:

Protect yourself against the latest malware attacks
Every day, over 315,000 new items of malware are unleashed by cybercriminals. If you're going to protect your PC and your confidential information - you need a security solution that keeps up with the very latest threats.

Kaspersky Lab's award-winning security technologies are renowned for their ability to deal with new and emerging threats. Independent tests have shown that our cloud-assisted technologies help us to identify new threats within as little as 0.02 seconds. For real-time updates - and extremely rapid defense against new malware - Kaspersky Lab is your first choice.

Get security that won't compromise performance
While you need to ensure your PC - plus the precious information you store on it - are fully protected, it's no good having security software that ruins your PC's performance… so you can't enjoy your digital life to the fullest extent.

Despite the growing complexity of new malware attacks that are constantly being launched, Kaspersky Lab has developed anti-malware protection that successfully combines security & efficiency - so our technologies work 'behind the scenes' and your PC can perform exactly as it was designed to. In addition, our special Gamer Mode lets you enjoy an uninterrupted gaming experience - so you can totally lose yourself in the action.
