

KBD-ERGO-KB-700

Genius Ergo KB-700 with Palm rest Wired Keyboard - USB

Product Overview

Genius Ergo KB-700 with Palm rest Wired Keyboard - USB, Chocolate Keycap Type, 12 Function Keys, Ergonomic, Palm rest, 1.5m cable length

Specifications

Overview Summary:

The Genius Ergo KB-700 is a wired ergonomic keyboard designed to make typing comfortable and efficient. Its split wave design encourages natural hand placement, reducing wrist and forearm strain, while the integrated palm rest provides additional support. With 12 function keys and an AI Copilot key for Windows 11, it streamlines your workflow, making it ideal for both home and office use. Shop now to enhance your typing experience and boost productivity.

With a sturdy build, chocolate keycap design, and a 1.5-meter USB cable, the KB-700 combines style with practicality. Buy now to enjoy ergonomic comfort during long typing sessions and keep your hands and wrists relaxed.

Performance tier:Mid-range ergonomic productivity

Uses:Typing, office work, home computing, data entry, productivity tasks

Overview:

Genius Ergo KB-700 Wired Keyboard with Palm Rest

The Genius Ergo KB-700 is an ergonomic wired keyboard designed for maximum comfort and productivity. Its split wave design promotes natural hand placement, reducing strain on wrists, forearms, and shoulders. With a built-in palm rest and foldable tilt legs, this keyboard supports long typing sessions while keeping your hands and arms relaxed.

Description:

This ergonomic keyboard comes with a USB connection, a chocolate keycap design, and 12 convenient function keys. It includes an AI Copilot key for Windows 11 users, providing quick access to productivity tools. The 1.5-meter cable allows flexible positioning, while the palm rest and tilt legs enhance typing comfort, making it ideal for professionals and home users seeking efficiency and ergonomics in one package.

Features:

Ergonomic Design for Comfortable Typing

The split wave layout of the KB-700 encourages natural hand placement. By aligning your hands in a more relaxed position, it reduces muscle strain in the forearms, wrists, and shoulders, making long typing sessions more comfortable.

Palm Rest and Adjustable Tilt Legs

The integrated palm rest supports your forearms and fingers, promoting a neutral wrist position. Foldable tilt legs allow you to adjust the keyboard angle, offering extra support for elbows and wrists and enhancing overall typing posture.

AI Copilot Key for Enhanced Productivity

Designed for Windows 11 users, the AI Copilot key provides quick access to the Copilot assistant. Streamline your workflow and complete tasks faster by integrating this productivity tool directly into your keyboard.

Quick Access to Media and Computer Functions

The KB-700 includes 12 shortcut keys for media control and computer functions. Easily manage audio, adjust settings, and navigate your system without interrupting your workflow, saving time and improving efficiency.

Durable and Stylish Build

With its chocolate keycap design and sturdy construction, the Genius Ergo KB-700 is built to last. The 1.5-meter cable ensures flexible placement on your desk, making it a practical and stylish addition to any workspace.
