# KD3

Mecool KD3 Android 4K TV Dongle

## Product Overview

Mecool KD3 Android 4K TV Dongle, Netflix and Google Certified Android TV Stick, Supports Netflix 4K Streaming, Amlogic S905Y4 CPU, Built-In Chromecast, 4K HDR, Supports HDR10

## Specifications

### Overview Summary:

The MECOOL KD3 Android TV Stick transforms any television into a smart 4K streaming hub. Netflix and Google certified, it delivers smooth HDR10 and HLG content with minimal buffering, while the Amlogic S905Y4 processor ensures fast, reliable performance. Its compact, portable design makes it ideal for home or on-the-go entertainment. Shop now to enjoy seamless access to YouTube, Prime Video, Disney+, and more.

Built-in Chromecast allows you to cast videos, photos, and music directly from your mobile device. With Android 11 and Google Assistant, controlling your entertainment and smart home devices has never been easier.

Buy now and bring cinematic quality to your living room instantly.

**Performance tier:**High |**Uses:**Home entertainment, 4K streaming, Netflix, YouTube, Prime Video, Disney+, Chromecast casting, Smart home control

### Overview:

**MECOOL KD3 Android TV Stick**
Transform any TV into a smart entertainment hub with the MECOOL KD3 Android TV Stick. Netflix and Google certified, this compact device brings high-quality 4K streaming directly to your living room. With Android 11, a powerful Amlogic S905Y4 processor, and built-in Chromecast, the KD3 delivers seamless performance and an immersive viewing experience.

### Description:

The MECOOL KD3 is a lightweight, portable Android TV dongle that supports Netflix 4K streaming, HDR10 and HLG HDR content, and major apps like YouTube, Prime Video, and Disney+. It features Google Assistant voice control, easy casting from mobile devices, and timely OTA updates, making it a complete smart TV solution for home or business entertainment.

## Features:

**Smooth Streaming and High-Quality Visuals**
Enjoy your favorite shows and movies in 4K HDR with the MECOOL KD3 . The Netflix certification ensures seamless access to 4K content, while AV1 encoding reduces data usage by 20%-30% without compromising picture quality. HDR10 and HLG HDR support provide vivid colors, sharp contrast, and lifelike clarity for a cinematic experience on any screen.

**Fast Performance with Android 11**
Powered by the Amlogic S905Y4 processor, the KD3 runs Android 11 for smooth multitasking and quick app launches. Whether you're using it for home theater setups, business presentations, or casual streaming, it handles every task efficiently and reliably.

**Voice Control and Smart Home Integration**
Built-in Google Assistant allows hands-free navigation, enabling quick access to entertainment and smart home devices. Speak commands into the voice remote to control your TV, search content, or interact with compatible smart home devices effortlessly.

**Cast Content Effortlessly**
With Chromecast built-in, you can easily stream photos, videos, and music from your phone, tablet, or laptop directly to your TV. Share memories or enjoy mobile content on a bigger screen instantly.

**Compact and Portable Design**
The KD3's lightweight design makes it easy to carry in your pocket, perfect for travel, office use, or moving between rooms. Plug it into any TV, monitor, or projector with an HDMI port to instantly upgrade your entertainment experience.

**Endless Entertainment Options**
Access a wide range of apps and services from the Android ecosystem, including YouTube, Prime Video, Disney+, and more. Regular OTA updates ensure your device stays up-to-date with the latest features and security improvements.
