Specifications

About this product

- 1 Year, 1 Device
- Real-time Antivirus;
- Online Payment Protection;
- Performance Optimisation.
- Windows, macOS, Android, iOS, Linux.

Overview Summary

Kaspersky Home Antivirus & Internet Protection

Protect your devices with multi-layered cybersecurity. Kaspersky Standard, Plus, and Premium plans offer antivirus, anti-malware, anti-phishing, anti-ransomware, firewall protection, and performance optimisation across multiple platforms. Premium includes identity protection and expert virus check, while Plus adds unlimited VPN and data leak monitoring. Kaspersky Safe Kids ensures parental controls and child safety online.

Privacy, performance, and security tools block malware, prevent tracking, optimise devices, and secure online transactions. Plans are flexible for 1 to 20 devices and 1-2 year subscriptions.

FAQ

What platforms does Kaspersky support?

Kaspersky supports Windows, macOS, Android, iOS, and Linux devices with full protection features. Some tools like Webcam & Mic Control are only available on desktops and laptops.

What is the difference between Standard, Plus, and Premium?

Standard provides antivirus, firewall, and performance tools. Plus adds unlimited VPN and data leak monitoring. Premium includes all Plus features plus identity protection, expert virus check, and Kaspersky Safe Kids parental control.

Can I use one license on multiple devices?

Yes. Plans are available for 1, 3, 5, 10, or 20 devices depending on the plan selected.

How does Kaspersky Safe Kids work (Premium subscription)?

Safe Kids provides GPS tracking, app and web monitoring, screen time scheduling, content filtering, and Safe Search for YouTube. It is compatible with Windows, macOS, Android, and iOS devices.

Are there system requirements for each plan?

Yes. Windows 7-11, macOS 13-15, Linux 64-bit, Android 10-15, iOS 18. RAM and hard drive requirements vary by platform and plan.
