Specifications

About this product

Kaspersky Plus Internet Security - 2-year licence for 1 device. Provides premium protection combining antivirus, firewall, unlimited VPN, password manager and performance tools to defend your device and data.

Overview Summary

Kaspersky Plus Internet Security - 2 Year (1 Device)

This licence provides two full years of advanced security for a single device, protecting against viruses, malware, phishing, rootkits and network-based threats. Built-in firewall and anti-hacking controls help prevent unauthorised intrusions.

In addition to threat protection, Kaspersky Plus enhances your digital privacy and system performance with an unlimited VPN, a secure password manager, disk health monitoring and system optimisation tools.

Performance tier: Premium / Advanced

Uses: Single-device security, Secure browsing, Online banking protection, Performance optimisation, Privacy protection

Description

Kaspersky Plus Internet Security 2-year licence is designed to protect a single device through long-term, layered cybersecurity. It builds in real-time antivirus, firewall, anti-malware and anti-hacking modules to block malware, ransomware, network attacks and phishing attempts. For privacy, it offers an unlimited VPN to encrypt internet traffic and a secure password manager for keeping your credentials safe.

The suite also includes performance-boosting tools: hard disk health monitoring prevents data loss, and system optimisation utilities free up space and improve responsiveness, while a "do not disturb" mode ensures fewer interruptions during gaming or full-screen activities.

Features

- Real-time Antivirus: Protects against viruses, trojans, worms and complex malware.
- Anti-Malware: Blocks rootkits, keyloggers, adware and other advanced threats.
- Firewall & Anti-Hacking: Monitors and blocks network attacks and intrusions.
- Unlimited VPN: Encrypts online activity and safeguards your connection on any network.
- Password Manager: Securely stores and auto-fills passwords across your device.
- HDD Health Monitoring: Checks your disk's status to prevent failures and data loss.
- Performance Optimisation: Cleans unused files, manages background tasks and improves system responsiveness.
- Do-Not-Disturb Mode: Suppresses alerts during gaming or full-screen use.
- Anti-Phishing Protection: Defends against fake websites, emails and credential-stealing attacks.
- Data Leak Checker: Notifies you if your personal information appears in known breaches. (Part of Plus plan.)

What's in the Box

- 1 x Kaspersky Plus Internet Security - 2-year licence (digital activation code)
- Product code: KL10429DADS
- Activation instructions via My Kaspersky account

Specifications

- Product code: KL10429DADS

FAQ

Is this licence only for one device?

Yes. This SKU (KL10429DADS) covers a single device for the full two-year period.

Does the VPN have a data cap?

No - the included VPN is unlimited, allowing secure encrypted browsing without data limits.

Can I install this on Windows and macOS?

Yes. Kaspersky Plus supports major platforms including Windows, macOS, Android and iOS.

Does the licence come with physical media?

No. This is a digital activation (ESD), you receive a code to redeem via your My Kaspersky account.

Do I need internet to use all features?

An internet connection is required for activation, updates, using the VPN and data leak checking.
