Kaspersky Internet Security 2015-3 Devices DVD

Product Overview

Kaspersky Internet Security 2015-3 Devices DVD, OEM, No Warranty on Software

Specifications

Overview:

Kaspersky internet security 2015 provides all of the protection offered by kaspersky antivirus 2015. Plus many innovative technologies that defend against sophisticated threats on the internet. This new version combines a vast array of easytouse, rigorous web security technologies that protect you against all types of malware and internetbased threats including cybercriminals that try to steal your money or your identity. Kaspersky lab brings you hasslefree security that has minimal impact on your computer's performance.

Your pc and all the precious files and data stored on it are kept safe by:

- Antimalware protection for realtime defences against computer viruses and internet threats
- Internet protection to secure your data and your money when you're banking, shopping or surfing online
- Identity protection via kaspersky virtual keyboard and secure keyboard technologies
- Antiphishing protection to prevent cybercriminals from collecting your personal information
- Advanced parental control that helps keep children safe when they're online

Features:

- Marks web links with a colourcoded tag that shows their danger level and allows you to choose whether to open them.
- Checks file safety with a single click of the mouse.
- Monitors suspicious application activities and allows you to roll back system changes made by malware.
- Restricts program access to personal data and system files according to the level of danger that each program presents.
- Lets you launch suspicious applications and websites in a special, isolated environment where they cannot harm your computer.
- Protects against hacker attacks.
- Provides reliable protection for your personal information and guards against unwanted spam and adware.
- Provides flexible and effective settings to keep children extrasafe when they use computers and the internet.
- License period 1 year
- For 3 users
