Specifications

About this product

The Logitech MK295 Silent Wireless Combo offers a quiet, reliable, and comfortable typing and navigation experience. Designed with Logitech's innovative SilentTouch technology, it reduces keyboard and mouse noise by over 90% while maintaining the familiar typing and clicking feel. Ideal for both home and office use, this full-size keyboard and contoured mouse combo ensures productivity without distractions.

Overview Summary

Product: Logitech MK295 Silent Wireless Keyboard and Mouse Combo - Graphite

The Logitech MK295 Silent Wireless Combo brings together comfort, performance, and peace of mind. With a 10-meter wireless range, spill-resistant keyboard design, and compact, contoured mouse, this combo is made for dependable daily performance. Both devices are powered by long-lasting batteries, ensuring months of uninterrupted use.

The exclusive SilentTouch technology drastically reduces noise without sacrificing typing precision or click feedback, making it ideal for shared workspaces and quiet environments. Its full-size layout with eight shortcuts and a numeric keypad ensures easy data entry, while the contoured mouse fits comfortably in either hand for precise control.

Performance tier: Mid-range productivity wireless combo

Uses: Home office, business workstation, and general computing

Description

The Logitech MK295 Silent Wireless Combo lets you work in serene silence without compromising comfort or control. Featuring SilentTouch technology, this keyboard and mouse combo reduces typing and clicking noise by over 90%, allowing for distraction-free productivity.

The full-size keyboard offers all essential keys, including a numeric keypad and eight shortcut keys for easy access to media and productivity controls. Its spill-resistant design, adjustable tilt legs, and durable keys make it a practical choice for everyday

use. The compact, contoured mouse provides smooth tracking and quiet clicking, ideal for extended sessions.

With a strong 2.4GHz wireless connection offering up to 10 meters of range, the MK295 ensures a lag-free experience. The included nano USB receiver allows quick plug-and-play setup. Long-lasting battery life (36 months for the keyboard and 18 months for the mouse) ensures consistent performance without frequent replacements.
