Description

The LBAG1 notebook bag is made from real leather and offers a durable, understated design suitable for work, study, travel and everyday commuting. Its dedicated zippered notebook compartment helps keep your device secure while the leather strap provides a comfortable way to carry the bag when you are on the move.

The brown leather finish gives the bag a timeless appearance that works well in both professional and casual settings. Its compact 14-inch notebook size makes it a useful option for users who want protection and portability without carrying a larger laptop bag.

Features:

14 Inch Leather Notebook Bag

Designed to accommodate notebooks up to 14 inches, this leather notebook bag keeps your computer stored in a dedicated compartment. The zipper closure helps keep the notebook securely inside during transport, while the all-leather construction adds a durable and premium feel.
