Colour inkjet multi-function centres

Brother colour inkjet mfcs are the perfect technology for your home and office. The range allows you to colour scan, copy, print and fax from one compact unit designed for your use. Eliminating the frustration of having to throw away unused inks, brother's colour inkjet machines have separate ink cartridges for each colour. All you have to do is replace the empty cartridge - reducing waste and cost.

Features:

Specially formulated ink for smooth printing

Brother ink is specially formulated to achieve the right fluidity to flow through critical points of the print head with ease. This ensures a balanced distribution of ink on the page, resulting in a more optimal balance of colours.
