Specifications

Overview:

LG 42" FULL HD LCD Ezsign TV 42LD462B features signage function. Now you can run your message on the TV screen in the form of billboard TV without additional hardware. Advertisements, information and broadcast content can be arranged on the same screen to attract attention and deliver specific messaging to your customer base.It is ideal for Restaurants, Healthcare, Retail, and Education/Government/Financial Services.

Whether they're used to disseminate information, offer directional advice, showcase your company's work or simply set a mood, commercial TVs allow you to communicate with your customers, clients and colleagues in highly visual and engaging ways. In addition, our commercial televisions can be enhanced with a wide range of hardware, software and digital products, such as optical storage devices, that can help hotels, retail establishments, schools, healthcare providers, financial institutions, restaurants, transportation providers and managers of public spaces increase their TV billboard and advertising options - and create more engaging communications.
