LGE2360VPN

LG E2360V-PN Glossy Black 23" Wide Full HD LED BackLight Monitor

Specifications

Features:

- HDMI Input: Make installation of any enabled device a snap. Get 10.2Gbps of bandwidth for deeper colors and more to take advantage of the best Full HD experience. HDMI 1.3 connectivity lets you prepare yourself for tomorrow's technology today.
- LED Backlighting: LG E60 Series monitors are backlit by LED lights. This gives colors a greater contrast and more vibrancy, and creates deeper blacks. It also allows the monitor to be slimmer and more energy efficient.
- Super Slim Design: You'll love the stunning picture while it's on and marvel at its appearance when it's off. The super slim profile and seamless design will appeal to even the most refined sense of style.
- Full HD 1080p: By supporting Full HD resolution and 1920 x 1080 pixels, the ideal conditions for media produced in a 16:9 format, the LG E60 monitor reproduces a myriad of images-from the minute movements of insects to thrilling videos games-in rich colors and elaborate detail.
- 5,000,000 to 1 Digital Contrast Ratio: The E60 Series has a 5,000,000 to 1 contrast ratio, allowing the monitors to recognize subtle color differences, as well as pitch blacks. You'll experience more accurate colors, especially when you're viewing videos or graphic-intensive applications with a dramatic contrast between light and dark.
- Energy Star Rated:Energy Star is the U.S. government's international program that encourages the use of energy-saving consumer products.

Specifications	
Brand	LG
Model	E2360V-PN
Cabinet Color	Glossy Black
Display	
Screen Size	23"
LED Backlight	Yes
Widescreen	Yes
Recommended Resolution	1920 x 1080
Viewing Angle	170 degrees(H) / 170 degrees(V)
