Luxa2 Blue Tough Case+ Plastic Case

Product Overview

Luxa2 Blue Tough Case+ Plastic Case for iPad 2

Specifications

Overview:

LUXA2's Tough Case Just Got Smarter! Now you can dress up your iPad 2 with the Smart Cover or use it along to protect the back of your tablet from daily mishaps. LUXA2 appreciates highly the environment that sustains life on earth for our future generations. Thus, LUXA2 dedicates to incorporate environmental technologies into new product designs. With the "Green LUXA2 Concept" and commitment, LUXA2 is engaged in an environmental management to preserve the environment and protect human health.

Features:

Smart Cover Compatible
Tough+ Case offers Smart Cover-compatible protection for the iPad 2. The case has precision cutouts so the Smart Cover and the Tough+ case fit nicely and securely together. Dress your tablet up and use it alone or in conjunction with the Apple iPad Smart Cover lid.

Easy removal & easy to clean
It is really easy to put on Tough+ Case or to remove it. So, if you are going to clean the iPad after using it for a while or change to another case, it's very easy to take it off and put it back. Its thin and sturdy layers offer tough protection in a sleek package

Ultra-thin 1mm design
Designed as an ultra-thin 1mm case, The Tough+ Case feels like it's barely there and yet offers superior protection. An iPad 2 with our Tough Case can still fit into some of our popular iPad stands, such as LUXA2 H4 and H6 iPad stands.

Unique & colorful choices
The LUXA2 Tough+ Case comes with 5 colors of grey, blue, pink, black & orange. With this wide array of color choices, you can pick one to match your Smart Cover or change the color case according to your moods!

Reduced packaging
LUXA2 packaging is designed smaller to reach the goal of "Going Green". We use less material to package, which means

more products be loaded, and also reduces CO2 emissions and positive protect our planet.

Green Material (RoHS)
LUXA2 product designers are advised to reduce or substitute the use of hazardous substances. We maintain strict control over the chemical substances used, and take steps whenever possible to avoid the use of hazardous substances. Currently all LUXA2 products are made from green materials and all RoHS compliant.

Comfort Quiet
LUXA2 product designers are focusing to reduce the noise generated by our products. Researches have shown that noise can be annoying and even harmful to human health. To protect human health, PSUs in enclosure come with the patented QFan technology which minimizes the noise to the lowest level.

Recyclable (WEEE)
LUXA2 product designers are advised to incorporate recyclable materials into all the new products whenever possible. All LUXA2 products comply with WEEE which requires recycling of electronic and electrical products and, especially, most of the metal materials used in LUXA2 enclosure are recyclable.
