Product Overview

Lekkermotion Premium Series 15.6" Multi-pocket Notebook Backpack

Specifications

Overview:

The black Lekkermotion Backpack is a sleek backpack with enough room to hold a 15.6" laptop and your belongings. At the front is a quick-access pocket that's ideal for storing your go-to items, such as a phone or gum. The interior is roomy and has an organizational panel for small accessories, as well as a cord storage pocket for power adapters to prevent tangling. Moreover, it has mesh side pockets for storing water bottles.

Take your laptop and accessories with you with the Lekkermotion 15.6" Laptop Backpack with USB Charging Port. The compartment in the backpack can fit up to a 15.6" laptop. It also has space for your accessories and peripherals. There is a USB port on the outside of the backpack. Using your own power bank (sold separately), you'll be able to charge your smartphone via the USB port. The airflow back design and breathable shoulder straps provide a comfortable fit.

Features:

- Compartment for 15.6" Laptop
- Sleeve for Tablet
- Quick-Access Front Pockets

High Quality Material
The backpack is made of waterproof and quality nylon fabric with metal zippers. Lightweight and sturdy, this backpack ensures secure and long-lasting usage every day. It can be used for weekend getaways, shopping, office work, business traveling, and other outdoor activities.

Lots of Storage Space and Pockets
There is a separate laptop compartment that can fit up to a 15.6" laptop. There is also a spacious packing compartment for

daily necessities and accessories. The front compartment has many pockets, pen pockets, and a key fob hook, which helps keep your items organized and easier to find.

USB Port
There is a built-in USB port on the outside of the backpack. Using your own power bank (sold separately), you'll be able to charge your smartphone through the outside USB port.

Functional and Safe
A luggage strap allows the backpack to slide over the luggage upright handle tube for easier carrying.

Comfortable and Sturdy
The comfortable airflow back design with thick but soft multi-panel ventilated padding, gives you maximum back support. The breathable and adjustable shoulder straps relieve stress on the shoulders while the foam padded top handle provides an alternative way to carry this backpack.
