

LOCK-LKCP-6624-SL

Unbranded 4-dial Combination Wedge Laptop Lock

Product Overview

Unbranded 4-dial Combination Wedge Laptop Lock. (LKCP-6624). 4.4MM X 180CM, SILVER LOCK & CABLE.

Specifications

Overview summary:

Unbranded 4-Dial Combination Wedge Laptop Lock (LKCP-6624) offers reliable physical security for your laptop or compatible device. Designed to fit wedge lock slots, this lock provides a sturdy deterrent against theft in offices, classrooms, libraries, and public spaces.

The lock features a robust **4-dial combination mechanism**, allowing for 10,000 possible code combinations without the need for a key. This makes it a convenient and secure option for users who prefer not to manage physical keys.

The **4.4mm thick, 180cm steel cable** is coated for durability and flexibility while offering a strong hold. The cable is long enough to anchor your device to desks, tables, or other immovable objects without restricting movement or access.

Finished in a professional **silver tone**, both the lock and cable combine visual appeal with functionality. This **combination wedge laptop lock** is compatible with a wide range of modern laptops that use wedge-type security slots, making it a smart and affordable security solution.
