Logitech Signature M650 Wireless Mouse - Graphite - Bluetooth

Product Overview

Logitech Signature M650 Wireless Mouse - Graphite - Bluetooth, Logitech advanced Optical Tracking, 400 dpi nominal value, Up to 4000 dpi Maximum, 5 buttons, Logi Bolt USB receiver, 910-006253

Specifications

Overview Summary:

The Logitech Signature M650 Wireless Mouse in Graphite offers a smooth, quiet, and efficient experience whether you're working, browsing, or gaming. Featuring SmartWheel scrolling, you can seamlessly switch between precision and speed. Its ergonomic design ensures comfort for all hand sizes, while its customizable buttons allow you to personalize your workflow. With advanced optical tracking and a stable wireless connection via Bluetooth or Logi Bolt USB receiver, this mouse is built for productivity. Ideal for both professional and leisure use, it's a perfect choice for those seeking comfort and reliability. Buy now and elevate your setup!

Performance tier: High-quality, ergonomic, and versatile

Uses: Office work, gaming, casual browsing, content creation, productivity tasks

Overview:

Logitech Signature M650 Wireless Mouse - Graphite
Upgrade your setup for all-day comfort and productivity.

Enhance your workflow with the Logitech Signature M650 Wireless Mouse, designed for smooth, efficient, and quiet operation. Whether you're working, browsing, or gaming, this mouse adapts to your needs with smart features like SmartWheel scrolling, which switches between precision and speed at the touch of a button. Available in sizes that fit both left- and right-handed users, the M650 ensures comfort for all hand shapes and sizes. Enjoy seamless wireless connectivity, silent clicks, and fully customizable side buttons, keeping you productive without any distractions.

Product Summary
The Logitech Signature M650 Wireless Mouse in Graphite offers a premium user experience with a sleek design and practical features. Perfect for both work and play, this mouse is equipped with advanced optical tracking technology that ensures precise cursor control on almost any surface. With adjustable DPI settings ranging from 400 to 4000, you can tailor the sensitivity to suit your needs. The mouse's ergonomic, contoured shape ensures all-day comfort, while the silent-click buttons help reduce noise, making it ideal for shared spaces. The customizable side buttons allow you to personalize your workflow for better efficiency, while the Logi Bolt USB receiver ensures a secure and stable connection, even in crowded wireless environments.

Features:

Key Benefits

- SmartWheel Scrolling: Effortlessly switch between precision and speed with the innovative SmartWheel, perfect for both detailed tasks and quick navigation.
- Customizable Side Buttons: Tailor the mouse to your workflow with programmable side buttons for shortcuts or extra functionality.
- Ergonomic Comfort: The contoured design fits the natural curve of your hand, offering lasting comfort even during extended use.
- Silent Clicking: Designed to keep noise to a minimum, making it ideal for quiet environments or shared spaces.
- Advanced Optical Tracking: Enjoy precise, accurate control with Logitech's advanced optical sensor technology.
- Seamless Wireless Connectivity: Stay connected with Logi Bolt USB receiver technology that ensures reliable performance in busy environments.

Perfect Fit for Every Hand

The Signature M650 comes in various sizes, including options for both larger and smaller hands, as well as a left-handed version, providing an optimal fit for every user.

Reliable Wireless Experience
Enjoy uninterrupted performance with the Logitech advanced optical sensor and the Logi Bolt USB receiver, offering robust wireless connectivity.
