Logitech M240 silent Bluetooth Mouse - Rose - 2.4GHz / Bluetooth

Product Overview

Logitech M240 Silent Bluetooth Mouse - Rose - 2.4GHz / Bluetooth, Wireless connectivity via Bluetooth low energy and 2.4GHz, Smooth Optical Sensor with dpi range of 400 to 4000 in steps of 100, SilentTouch Technology reduces click noise by 90%, Ergonomic Design for left - and Right-Handed users, 3 buttons including left/right-click and middle click, Line-by-Line Scrolling with Optical wheel, Up to 18 months Battery Life Powered by 1 Pre-Installed AA Battery, Wireless range of up to 10 meters

Specifications

Summary Overview:

Enhance your daily workflow with the Logitech M240 Silent Bluetooth Mouse in a stylish rose finish, now available for immediate purchase in South Africa. This ergonomic wireless mouse combines ultra-quiet performance with reliable connectivity via Bluetooth or 2.4GHz, ensuring seamless operation across Windows, macOS, and Android devices without distractions.

Designed for comfort during long work sessions, the M240 features SilentTouch Technology to reduce click noise by 90% while maintaining precise optical tracking between 400 and 4000 dpi. With an impressive battery life of up to 18 months and a compact, sustainable design made from recycled plastics, this mouse is perfect for professionals seeking efficiency on the go.

Upgrade your setup today with a high-quality peripheral that delivers silence and speed in equal measure. Buy now to experience smoother navigation and reduced hand strain while enjoying the reliability of a carbon-neutral product designed for modern productivity needs.

Performance tier: Standard Productivity

Uses: Office work, remote learning, travel computing, general browsing, document editing

Overview:

The Logitech M240 Silent Bluetooth Mouse in Rose is designed to enhance your daily productivity through a blend of comfort, reliability, and ultra-quiet performance. This wireless mouse features an ergonomic sculpted shape that supports both left-handed and right-handed users, ensuring reduced hand strain during extended work sessions. With Smooth Optical Tracking technology and adjustable sensitivity ranging from 400 to 4000 dpi, it delivers precise control on almost any surface. The device offers seamless connectivity via Bluetooth Low Energy or a 2.4GHz wireless connection, making it compatible with Windows, macOS, ChromeOS, Linux, and Android devices without the need for additional dongles.

Description:

The M240 Silent Bluetooth Mouse combines effortless wireless connectivity with precise optical tracking and adjustable sensitivity from 400 to 4000 dpi. Its sculpted shape supports both left- and right-handed users, while SilentTouch Technology reduces click noise by 90%. With up to 18 months of battery life, line-by-line scrolling, and a compact, portable design, this mouse boosts efficiency while minimizing distractions. Crafted from recycled plastics and certified carbon neutral, it also supports sustainable usage.

Features:

Quiet and Comfortable Use

Experience ultra-quiet productivity without compromising on the tactile feel of clicks. SilentTouch Technology ensures you hear almost no noise while maintaining accurate response. The ergonomic shape reduces hand strain, making long work sessions more comfortable.

Effortless Wireless Connectivity

Connect instantly via Bluetooth or the 2.4GHz wireless option without needing a dongle. Compatible with Windows, macOS, ChromeOS, Linux, and Android devices, it offers plug-and-play convenience wherever you work.

Long-Lasting Battery Life

Enjoy up to 18 months of uninterrupted use with auto-sleep functionality. A single pre-installed AA battery ensures you can start working immediately and forget frequent battery replacements.

Compact and Portable Design

Designed for both left- and right-handed users, the M240 Silent's contoured form fits naturally in your hand. Its lightweight and compact design makes it easy to carry alongside your laptop, perfect for work on the go.

Smooth Navigation and Precise Control

Line-by-line scrolling allows for accurate navigation across documents and web pages. The optical sensor ensures precise tracking on almost any surface, eliminating frustrating missed clicks.

Boosted Productivity

Studies show users who switch from a laptop touchpad to the M240 Silent can increase efficiency by up to 50%. Smooth and responsive controls help you work faster while maintaining accuracy.

Sustainable Materials

The M240 Silent incorporates certified post-consumer recycled plastics-48% in graphite and 37% in rose-reducing environmental impact. Packaging is also designed with sustainability in mind.

Carbon Neutral Certification

Logitech ensures the carbon footprint of this mouse and its packaging is fully offset through carbon removal and reduction projects, making it a responsible choice for environmentally conscious users.

Proven Logitech Quality

With over 25 years of design experience, Logitech delivers mice that combine comfort, performance, and reliability. The M240 Silent continues this tradition, offering a durable and high-quality solution for any workspace.

Key Features

- SilentTouch Technology reduces click noise by 90% for quiet operation
- Dual connectivity options including Bluetooth Low Energy and 2.4GHz wireless
- Ergonomic design suitable for both left and right-handed users
- Up to 18 months of battery life with auto-sleep mode
- Precision optical tracking with a DPI range of 400-4000
- Certified carbon neutral product made with recycled plastics
- Part Number: 910-007121 for the Rose color variant

Technical Specifications

The Logitech M240 Silent Mouse is built to handle daily tasks with precision and ease. The device measures 99 mm in height, 60 mm in width, and 39 mm in depth, weighing just 73.8 grams including the battery. It features a smooth optical sensor that provides accurate tracking on various surfaces.

- Connectivity: Bluetooth Low Energy Technology and 2.4GHz wireless
