**Performance tier:**Mid-range

**Uses:**PC gaming, PS5 gaming, Nintendo Switch gaming, mobile gaming, voice chat, Discord communication, music listening,

everyday wireless audio

## Overview:

**Logitech G325 LIGHTSPEED Wireless Gaming Headset - White**

Experience immersive gaming audio with the Logitech G325 LIGHTSPEED Wireless Gaming Headset. Designed for players who want reliable wireless performance, rich 24-bit sound, and lasting comfort, the G325 combines low-latency LIGHTSPEED wireless technology with Bluetooth 5.2 connectivity for effortless gaming across multiple devices. A lightweight design, AI-enhanced microphone, and over 24 hours of battery life make it an excellent choice for long gaming sessions, voice chat, music, and everyday entertainment.

## Description:

The Logitech G325 delivers premium wireless freedom without sacrificing audio quality. Its 24-bit dynamic sound and enhanced bass create an engaging gaming experience, while the integrated beamforming microphone with AI-powered noise reduction helps ensure your voice remains clear during multiplayer matches and online conversations. With a comfortable 212 g design, breathable materials, and memory foam ear cushions, this headset is built for extended use whether you're gaming at home or on the move. Part Number: 981-001531.

## Features:

**Wireless Performance for Gaming**

LIGHTSPEED wireless technology provides a fast, stable connection with minimal latency, helping you stay focused on every match. With a wireless range of up to 30 metres, you can move freely without losing connection.

Bluetooth 5.2 also allows you to connect quickly to compatible mobile devices, gaming handhelds, tablets, and other Bluetooth-enabled hardware, making switching between gaming and entertainment simple.

**Immersive 24-Bit Audio**

The Logitech G325 is engineered to deliver detailed, dynamic sound that enhances both competitive and casual gaming.

Key audio highlights include:

- 24-bit game-ready audio
- Enhanced bass for greater immersion
- 32 mm audio drivers
- Clear sound for games, music, and voice communication

**Clear Voice Communication**

The integrated beamforming microphone helps your teammates hear you clearly while reducing unwanted background noise.

Benefits include:

- Omni-directional pickup pattern
- AI-powered noise reduction
- Reduced keyboard and fan noise
- Boomless microphone design for a cleaner appearance

**Comfort Built for Long Sessions**

Whether you're gaming for hours or listening to music throughout the day, the lightweight construction keeps the headset comfortable.

Designed with:

- Lightweight 212 g construction
- Breathable knit fabric
- Plush adjustable headband
- Dual-layer memory foam ear cushions
- Streamlined modern design

**Long Battery Life**

Play longer without constantly reaching for the charger.

Highlights include:

- More than 24 hours of battery life
- Up to 30 metre wireless range
- USB-A to USB-C charging cable included

**Personalise Your Audio**

Customise your listening experience using Logitech G HUB software or the Logitech G mobile app. Select ready-made audio presets or create your own sound profile to suit different games and entertainment.

**Package Contents**

Inside the box you'll find:

- Logitech G325 Wireless Gaming Headset
- LIGHTSPEED Wireless USB-A Receiver
- USB-A to USB-C charging cable
- User documentation
