Features

Key features of the Logitech G321 LIGHTSPEED Wireless Gaming Headset include:

- LIGHTSPEED Wireless and Bluetooth 5.2: Dual mode wireless for low latency gaming and versatile Bluetooth connection for mobile devices.
- 20hrs Battery Life: Long lasting battery for extended gaming or media sessions without frequent charging.
- 40mm Audio Drivers: Balanced drivers for clear highs, mids and punchy lows.
- Flip Microphone: Easy mute with flip down/out mic for voice chat and meetings.
- Comfortable Memory Foam: Soft memory foam ear pads and adjustable headband for long wear comfort.
- USB-C Adapter: Included for reliable wireless connection to compatible devices.

SUPERCHARGE YOUR GAMING SETUP

G321 LIGHTSPEED is engineered for powerful audio performance in a comfortable, lightweight design. Immerse yourself in every detail of the game, from quick matches with friends to epic multi-hour sessions. Just unbox, connect, and play.

DYNAMIC COMFORT AND FIT

Crafted with thick 15 mm headband padding, 21 mm memory foam ear cups, and high elasticity knit fabric, G321 delivers dynamic comfort and fit. Adjustable for most head sizes, G321's lightweight 210 g design makes it perfect for long play sessions.

16 kHz FLIP-TO-MUTE MIC

Take control of your comms with a 16 kHz flip-to-mute boom mic that delivers strong, detailed vocal quality.

LIGHTSPEED WIRELESS

Gear up for epic gaming sessions with 20+ hours of battery life and seamless connection-powered by Logitech G's industry leading 2.4 GHz LIGHTSPEED wireless technology.

VERSATILE CONNECTIONS

Easily pair and play with Bluetooth(RegTM) and take your Discord game chat, mobile games, and music wherever you go. Then, switch back to LIGHTSPEED wireless with a simple press of a button.

POWERFUL IMMERSION

Hear every layer of your game's audio stack with extended highs, articulate mids, and solid bass. Details like sneaky footsteps, subtle mid-battle clues, and orchestral cinematics come through in rich clarity with our high performance audio drivers.

MEMORY FOAM EARCUPS

G321 earcups have 21 mm of memory foam padding that provides a comfortable and secure seal with roomy interior space.

THICK HEADBAND PADDING

15 mm of memory foam provides a cushiony and secure fit for an extra-comfortable gaming experience.

HIGH ELASTICITY KNIT FABRIC

G321 is designed for almost any head size. The combination of breathable fabric with memory foam padding conforms to your head shape for long, comfy gaming sessions.
