

LOGI G413 TLK SE 920-010446

Logitech G413 TLK SE Black Mechanical Gaming Keyboard

Product Overview

Logitech 920-010446 G413 TLK SE Black Mechanical Gaming Keyboard - US Intentional - USB wired - INTNL-973 - TACTILE SWITCH.

Specifications

Overview summary:

The Logitech G413 TKL SE is a tenkeyless mechanical gaming keyboard built for performance and durability. It features tactile mechanical switches, 6-key rollover with anti-ghosting, and PBT keycaps for lasting reliability. The compact layout offers gamers precise control without sacrificing essential keys.

With a black brushed aircraft-quality aluminum alloy top case and white LED lighting, the G413 TKL SE combines a minimalist aesthetic with rugged build quality - ideal for competitive and FPS gaming.

Keyboard performance tier:Mid-range mechanical gaming

Uses:Competitive gaming, FPS, esports, and general gaming

Overview:

G413 TKL SE features tactile mechanical switches, 6-key rollover anti-ghosting, PBT keycaps and durable aluminum alloy build - all in a tenkeyless design.

Features:

MADE FOR PLAY

G413 TKL SE puts gaming-grade performance - from tactile mechanical switches to 6-key rollover anti-ghosting and PBT keycaps - into an optimal compact form. With a minimalist tenkeyless design and sturdy, durable aluminum alloy build, it's ready to compete at the highest level.

TACTILE MECHANICAL SWITCHES

G413 TKL SE features a tenkeyless layout for peak gaming performance. Gaming-grade tactile mechanical switches deliver subtle, precise feedback at actuation - ideal for split-second decisions in competitive and FPS gaming.

PBT KEYCAPS

Durable keycaps ensure lasting confidence in every keystroke. G413 TKL SE keycaps are made with PBT, the most durable keycap material on the market, offering excellent heat and wear resistance for sustained gaming performance.

LED LIGHTING

Whether you're in intense competition or playing with friends, focus is essential. G413 TKL SE features white LED lighting designed to enhance concentration and clarity during gameplay.

6-KEY ROLLOVER WITH ANTI-GHOST

6-key rollover with an anti-ghosting matrix provides total control in the heat of the game. Seamlessly press multiple keys simultaneously without interference.

BUILT TO LAST

Built with a black brushed aircraft-quality 5052 low-carbon aluminum alloy top case, gaming-grade mechanical switches, and durable PBT keycaps, the G413 TKL SE delivers a premium experience and superior durability for long-lasting use.

Requirements:

- USB 2.0 port

Platform Compatibility:

- Windows® 10 or later
- macOS X 10.14 or later
