

LOGI G513 920-009330

Logitech G513 Carbon RGB high performance Gaming Keyboard

Product Overview

Logitech G513 Carbon RGB high performance Gaming Keyboard with USB passthrough, Tactile, Palmrest, 2 indicator lights, RGB per key Lighting, Programmable FN keys, GX Brown (Tactile) mechanical switches, aircraft-grade aluminum alloy

Specifications

Features:

A MINIMALIST ADVANTAGE

G513 is a high-performance gaming keyboard featuring your choice of advanced GX mechanical switches. The detachable, memory-foam palmrest and premium aluminum-alloy construction make G513 full-featured and best-in-class.

LIGHTSYNC RGB

G513 can be customizable per key with approximate 16.8 M colors. Create your own animations or choose from a selection of preset effects. And with LIGHTSYNC technology, lighting is driven by games, audio, or your screen to deliver the most immersive RGB experience ever. Advanced settings require Logitech G HUB available for download at logitech.com/downloads

CHOICE OF MECHANICAL SWITCH

Advanced GX mechanical switches-engineered and 100% tested for performance, responsiveness, and durability. Choose from three distinct mechanical switches- GX Blue (Clicky), GX Brown (Tactile), GX Red (Linear).

Premium Comfort

The memory foam quickly and fully recovers from pressure, so every use is as comfortable as the first. Soft, strong and durable leatherette wraps the comfort foam in a waterproof and sweat-resistant material that easily wipes clean. Six bottom-mounted rubber feet keep it firmly in place. This palmrest is ready to game.

Aircraft-Grade Aluminum Alloy

G513 is crafted from incredibly strong and durable 5052 aluminum-magnesium alloy which allows for both a minimal design and a beautiful aesthetic. The rigidity of 5052 alloy also provides a sturdy, non-slip chassis that houses a full suite of features for an unbeatable gaming experience.

USB Passthrough

Convenience and speed are directly within reach. The additional, dedicated USB cable connects the USB passthrough port to

ComX Computers

Product Specification Sheet

its own input for full power throughput and data speed. Plug in a device to charge or plug in a mouse to charge your adversaries, without missing a beat.

Full Function Keys

Media and lighting controls are right at your fingertips. Use the FN key to control volume, play and pause, mute, toggle game mode, change lighting effects, etc. Use the FN toggle feature in Logitech G HUB and configure your function keys to perform these alt commands by default.

Dedicated Gaming Features

Dont lose a game because you fat-fingered the Windows key. Toggle game mode with FN+F8. Deactivate additional keys using Logitech G HUB. Store per-key RGB lighting profiles in the onboard memory for use on any system. Advanced settings require Logitech G HUB available for download at logitech.com/downloads
