

LOGI G PRO X 910-006631

Logitech G Pro X Superlight 2 Black Lightspeed Gaming Mouse

Product Overview

Logitech G Pro X Superlight 2 Lightspeed Gaming Mouse - Black - 2.4ghz wireless. Weighs just 60 grams, HERO 2 sensor and LIGHTFORCE hybrid switches.

Specifications

Overview summary:

The Logitech G Pro X Superlight 2 is a premium wireless gaming mouse engineered for elite esports performance. Weighing only 60 grams and packed with the HERO 2 sensor and LIGHTFORCE hybrid switches, this mouse offers blazing-fast precision with up to 44,000 DPI tracking and 8000 Hz polling. Developed in collaboration with top pro gamers, it delivers unmatched responsiveness, smooth PTFE glide, and long-lasting battery life, making it ideal for competitive players who demand absolute control and speed.

Its LIGHTSPEED wireless technology ensures ultra-reliable performance, even in high-interference environments. With onboard memory, customizable settings via Logitech G HUB, and zero smoothing or filtering, it's built to win in every frame.

Gaming mouse tier: Ultra-competitive esports tier

Uses: Professional esports gaming, FPS, competitive multiplayer, precision tracking

Overview:

The next evolution of our championship-winning mouse. Meet the new weapon of choice for the world's top esports athletes.

Features:

A PRO ICON EVOLVED

Introducing the next evolution of a pro gaming icon-now faster and more precise. Our championship-winning 60g gaming mouse was designed in collaboration with the world's leading pro gamers to break down any barrier between you and the win.

LIGHTFORCE HYBRID SWITCHES

Our exclusive hybrid optical-mechanical switch technology combines the speed and reliability of optical switches with the low power consumption and satisfying click feel of a traditional galvanic (or mechanical) microswitch. Get the performance pros need without the impact to battery life.

HERO 2 SENSOR

Pro-level precision with the most advanced sensor in gaming. Experience the reliability of tracking over 888+ IPS, and up to 44,000 DPI.

LIGHTSPEED WIRELESS

Experience the unmatched performance and reliability of LIGHTSPEED wireless with up to 8 kHz polling. Designed for tournament play, it ensures total reliability even in extreme RF environments, letting you focus fully on your game.

PRECISE SENSOR CALIBRATION

Precise sensor calibration enables independent, precise adjustment for X and Y axes, adjustable lift off tolerance to match your grip and movement, and is easy to sync with the sensitivity settings of another mouse-all through Logitech G HUB.

ZERO-ADDITIVE PTFE

Comfortable. Smooth. Seamless. Zero-additive PTFE mouse feet deliver a smooth glide for a pure, fluid connection with the game.

PRO SERIES

PRO Series gear is designed for the highest levels of competitive gaming. Every piece of this collection is built through a collaborative process with the world's best esports players-and engineered to win.

Compatibility:

- PC with Windows® 10 or later and USB 2.0 port.
- Internet access for Logitech G HUB Software.
