Specifications

Overview:

MX Ergo S

Elevate your comfort and precision with MX Ergo S Advanced Wireless Trackball

Experience peak comfort and performance with MX Ergo S advanced wireless trackball, certified by ergonomists, with a 20-degree tilt angle for less muscle strain in your forearm. Now with quiet clicks and quick USB-C charging.

Features:

Elevated comfort and precision

MX Ergo S, Logitech's most advanced wireless ergonomic trackball yet, with a 20-degree tilt angle and 6 customizable buttons - now with quiet clicks and quick USB-C charging (cable not included).

MAXIMIZE CONTROL.MINIMIZE MOVEMENT.

Track precisely and effortlessly with thumb control, while your hand stays fully supported on the sculpted ergonomic design with a soft rubber grip - a good fit for medium to large-sized hands. Switch between speed and high-precision tracking with a tap of the DPI button.

TILT FOR MORE COMFORT

MX Ergo S is certified by ergonomists, with a unique 20-degree tilt angle that encourages a better forearm posture and reduces muscle strain in the forearm by 27% for elevated comfort throughout the day.

SMOOTHER DAYS, YOUR WAYS.

Work faster with 6 customizable buttons and a DPI button to effortlessly switch cursor speed. Assign time-saving shortcuts, or Smart Actions tailored to your needs using the Logi Options+ App.

NOW WITH QUICK USB-C CHARGING

MX Ergo S is now compatible with USB-C charging (cable not included), with a full charge lasting up to 120 days and just a 1 minute charge for 24 hours of use. Compatible with any USB Type-C to USB Type-C or USB Type-A to USB Type-C cables, so you can use cable you already have in your home or at work.

NOW WITH QUIET CLICKS

Work without distraction with quiet clicks. Experience the same satisfying click feel on MX Ergo S but with 80% quieter clicks compared to MX Ergo.

BUILT FOR ADVANCED SETUPS

Connect up to 2 devices via Bluetooth or the included Logi Bolt receiver, and seamlessly switch between computers with the Easy-Switch button.

MX Ergo S is compatible with Flow Technology, allowing you to work across devices and operating systems with the Logi Options+ App. Click and drag files across multi-OS devices.

COMFIER DAYS. LIGHTER FOOTPRINT.

We design our products for all-day comfort without compromising on sustainability. Discover how:

We believe that plastic should have more than one life

The plastic parts in MX Ergo S include 20% certified post-consumer recycled plastic to give a next life to plastic from old consumer electronics and help reduce our carbon footprint.

It's not just what's inside the box

We also work hard to reduce the environmental impact of our packaging. The paper packaging of MX Ergo S comes from FSC -certified forests and other controlled sources. By choosing this product, you are supporting responsible management of the world's forests.

We believe that plastic should have more than one life
