Specifications

Overview:

MX KEYS S

Advanced Wireless Illuminated Keyboard

Features:

MASTER YOUR FLOW

Experience a new level of flow state with MX Keys S - A high-performance keyboard, engineered for comfortable, fast, fluid typing, with smart illumination, and programmable keys.

If you want to save space on your desk but not compromise on performance, you can choose the minimalist MX Keys Mini.

FAST FLUID PRECISE TYPING

Type with confidence and speed with spherically-dished keys shaped for your fingertips, minimizing the chances of a mistype, while increased key stability reduces noise.

SMART ILLUMINATION MADE SMARTER

Backlit keys light up when your hands approach the keyboard and automatically brighten or fade to suit your environment. Control on MX Keys S backlighting duration and brightness in Logi Options+ Requires Logi Options+ app, available for Windows and macOS.

AUTOMATE REPETITIVE TASKS

Smart Actions on the Logi Options+ App Requires Logi Options+ app, available for Windows and macOS allows you to skip repetitive actions by automating multiple tasks with a single keystroke.

ERGONOMIC DESIGN

The low-profile design & optimum angle for a natural wrist position, provides effortless precision and longer hours of typing comfort.

MULTI-DEVICE MULTI OS

Easily switch between up to 3 devices at the push of a button. Compatible with Windows, macOS, ChromeOS Device basic functions will be supported without software for other systems than Windows and macOS, Linux Device basic functions will be supported without software for other systems than Windows and macOS, iPadOS. Device basic functions will be supported without software for other systems than Windows and macOS

USB-C QUICK CHARGING

Stays powered for up to 10 days on a full charge or up to 5 months (backlighting turned off) Battery life may vary based on user and computing conditions . Charge while you work with the included USB-C charging cable.
